- a) Ownership of the future driveway unit and the temporary driveway unit shall ultimately be transferred to the Corporation, however, in order to facilitate the transfer of Shared Access Easements among the Park Lawn Owners, as well as the ultimate closure of the Temporary Driveway in accordance with City of Toronto requirements, the Declarant shall initially retain ownership of the future driveway unit and the temporary driveway unit and may, in its sole discretion, continue to retain ownership of the future driveway unit and/or the temporary driveway unit until such time as the Shared Access Easements have been transferred to the respective parties entitled thereto pursuant to the provisions of the Easement and Cooperation Agreement and the Temporary Driveway has been closed in accordance with City of Toronto requirements, or until such earlier or later date as the Declarant may determine or designate in its sole, unfettered and unchallenged discretion.
- b) The Corporation shall, forthwith upon the request of the Declarant, accept title to the future driveway unit from the Declarant for nil consideration, and shall execute and deliver all documents and instruments necessary to effect or authorize the registration of a transfer of the future driveway unit from the Declarant as transferor to the Corporation as transferee, including, without limitation, the requisite land transfer tax affidavit, and the Corporation shall accept and register such transfer of title of the future driveway unit without requiring or requisitioning anything else from the Declarant in connection therewith (and specifically without requiring or requisitioning any undertakings, indemnities and/or opinions from the Declarant or its solicitors).
- c) The Corporation shall, forthwith upon the request of the Declarant, accept title to the temporary driveway unit from the Declarant for nil consideration, and shall execute and deliver all documents and instruments necessary to effect or authorize the registration of a transfer of the temporary driveway unit from the Declarant to the Corporation as transferee, including, without limitation, the requisite land transfer tax affidavit, and the Corporation shall accept and register such transfer of title of the temporary driveway unit without requiring or requisitioning anything else from the Declarant in connection therewith (and specifically without requiring or requisitioning any undertakings, indemnities and/or opinions from the Declarant or its solicitors).
- d) Once ownership of the future driveway unit and/or the temporary driveway unit has/have been transferred by the Declarant to the Corporation, any further transfer, sale, conveyance, or mortgage of the future driveway unit and/or temporary driveway unit shall be expressly prohibited and any instrument or other document purporting to sell, transfer, convey, mortgage or charge the ownership interest of the Corporation in the future driveway unit and/or temporary driveway unit in contravention of the foregoing provision shall be null and void and of no force or effect whatsoever. For clarity, the foregoing provision shall not prevent the transfer of Shared Access Easements among the Park Lawn Owners pursuant to the provisions of the Easement and Cooperation Agreement.

PART 5 - OCCUPATION AND USE OF UNITS

Section 30 - General Use

- a) No unit shall be occupied or used by any owner, or by anyone else, in such a manner as is likely to damage or injure any person or property (including any other units or any portion of the common elements), nor in any manner that will unreasonably interfere with the use or enjoyment by other owners of the common elements or their respective units, nor in any manner which might affect the structural integrity of any unit and/or the common elements, or that may result in the cancellation (or threat of cancellation) of any insurance policy obtained or maintained by the Corporation or otherwise referred to in this declaration, or that may

significantly increase any insurance premium(s) or deductible amount with respect to any insurance policy of the Corporation, nor in such a manner as to lead to a breach by any owner (or by the Corporation) of any provision of this declaration, the by-laws or rules of this Condominium, and/or any agreement(s) binding on the Corporation and expressly authorized or ratified by any by-law. In the event that the use of a unit made by any owner (and/or by such owner's residents, tenants, employees, invitees or licensees), or by anyone else for whose actions such owner is responsible at law or in equity, causes injury to any person, or causes damage to such owner's unit and/or to any other unit(s) or to any part of the common elements, or results in the premium of any insurance policy obtained or maintained by the Corporation being significantly increased, or results in the payment of a deductible amount (or an increase in any deductible amount) with respect to any insurance policy of the Corporation, or results in any such policy being cancelled, then such owner shall fully indemnify and save the Corporation harmless from and against all costs, claims, damages and/or liabilities that the Corporation may suffer or incur as a consequence thereof, and such owner shall also be personally liable to pay and/or fully reimburse the Corporation for all costs and expenses incurred to fully redress or rectify any such injury or damage [including without limitation, all deductible amounts and increased insurance premiums (if any), together with all legal fees and disbursements incurred by the Corporation in the collection of any of the aforementioned costs, on a solicitor and client basis], on the express understanding that all such costs, expenses, legal fees and disbursements may be recovered by the Corporation against such owner in the same manner, and to the same extent, as common expenses (and with corresponding lien rights in favour of the Corporation against such owner's unit, similar to the case of common expense arrears). However, none of the foregoing provisions of this subparagraph shall be construed so as to prohibit or restrict (nor shall same be applied in any manner which prohibits or restricts) the short term leasing or licensing of any dwelling unit(s) provided and so long as the initial term or duration of any such lease or licenses is no less than thirty (30) consecutive days and the aforementioned indemnity and reimbursement provisions with respect to any increased insurance premiums and/or deductible amounts regarding the Corporation's insurance shall not apply with respect to the short term leasing or licensing of any dwelling unit(s) made (or to be made from time to time) by or on behalf of the Declarant and/or any other dwelling unit owner(s) provided and so long as the initial term or duration of any such lease or licenses is no less than thirty (30) consecutive days.

- b) The owner of each unit shall comply (and shall require all residents, tenants, invitees and/or licensees of his or her unit to comply) with the provisions of the Act, this declaration, the by-laws and rules of this Condominium, and any agreement(s) binding on the Corporation or expressly authorized or ratified by any by-law(s) of the Corporation.
- c) Save as otherwise expressly provided in this declaration to the contrary, no one other than the Declarant shall make any structural change, renovation, alteration or addition whatsoever to his or her unit, without the prior written consent of the Corporation, on the express understanding that such consent shall be in the sole and unfettered discretion of the board, and may be subject to such terms and conditions as the board may determine or impose from time to time. When requesting such consent, the owner shall provide to the board a copy of the plans relating to the proposed structural change, renovation, alteration or addition, and such other information as may be required by the board. The board, or its authorized agent, shall review such plans and information for the purpose of confirming that the proposed structural change, renovation, alteration or addition will not:
- i) adversely affect the structural integrity of the unit or any other unit(s);
 - ii) detract from or unreasonably interfere with the use or enjoyment of any other unit(s) by the respective owner(s) or occupant(s) of same;
 - iii) negatively impact the aesthetic appearance of this Condominium or any portion thereof;
 - iv) increase the insurance premiums relating to any policy of insurance maintained by the Corporation;
 - v) obstruct access to any utility easement(s) or public service(s);
 - vi) encroach upon the common elements (except in a minor way, if at all), nor upon or with respect to any other unit(s);
 - vii) alter the grading of the Real Property (or any portion thereof), nor obstruct any drainage pattern(s) of the Real Property; and
 - viii) violate any provisions of any by-law(s) or ordinance(s) of any of the Governmental Authorities, or any provisions of any agreement(s) or restriction(s) binding on the Corporation.
- d) Without limiting the generality of the foregoing, no change shall be made or permitted to the colour of any exterior glass, window, door, screen or other installation(s) appurtenant to (or associated with) any unit, except with the prior written consent of the board, and each owner shall ensure that nothing is affixed, attached to, hung, displayed or otherwise placed on any portion of the exterior walls (including awnings and/or storm shutters), and/or the exterior doors or windows of this Condominium, except with the prior written consent of the board, or save and except as may otherwise be permitted by any other provisions of this declaration.
- e) Save and except as may otherwise be expressly permitted by any other provision(s) of this declaration, no sign, advertisement or notice of any type, size or kind shall be inscribed, painted, affixed, attached, hung or displayed on any part of any unit (whether within the interior or exterior of any unit, and whether temporary or otherwise), without the express written consent of the board. This restriction shall not, however, apply to the Declarant under any circumstances whatsoever.

- f) Save as otherwise provided or contemplated in this declaration to the contrary, no boundary, load-bearing or demising wall(s) in respect of any unit, nor any portion of the floor (excluding the floor finish) or ceiling (excluding the ceiling finish) of any unit, nor the door of any unit leading directly to any common element hallway or corridor, or to any outdoor common element area, nor any portion of the Condominium's heating, cooling, plumbing, security, fire prevention, mechanical and/or electrical installations or systems (and/or any appurtenant fixtures and equipment) contained in (or forming part of) any unit, shall be removed, extended or otherwise altered without the prior written consent of the board, but the provisions of this subparagraph shall not require any owner to obtain the consent of the board for the purpose of painting or decorating the interior surface of any wall, floor, ceiling or door of any unit which is not visible from the exterior of said unit.
- g) Save as may otherwise be expressly provided in this declaration to the contrary, no owner shall install any fencing, privacy screen or enclosure, nor any deck, planter boxes or other landscaping treatments or features, within the confines of his or her unit (nor within any exclusive use common element areas appurtenant thereto) without the prior written consent of the board. In order to maintain a uniform appearance and/or an aesthetically pleasing and compatible appearance throughout this Condominium, and to ensure compliance with all applicable municipal building and zoning restrictions, the board shall have the right to prescribe the height, type, size, design and colour of all fencing, privacy screens, enclosures, decks, planter boxes and/or other landscaping treatments or features proposed to be constructed or installed by any owner as an appurtenance to his or her unit (or with respect to any exclusive use common element areas appurtenant thereto).

Section 31 - Use of the Dwelling Units

- a) Each dwelling unit shall be occupied and used only for residential purposes, and/or for the business of providing residential rental accommodation on a furnished and/or unfurnished suite basis (with or without ancillary maid, cleaning, laundry and/or telecom services), through short term or long term lease/license arrangements, provided however that:
- i) any such use complies with the provisions of all applicable zoning and building by-laws and regulations of the City of Toronto (with such zoning and building by-laws, as amended or varied from time to time, being hereinafter collectively referred to as the "**Applicable Zoning By-laws**");
 - ii) any lease or license (including any sub-lease or sub-license) to occupy any dwelling unit in this Condominium, whether in a furnished or unfurnished state, shall be for a **minimum initial term or duration of not less than thirty (30) consecutive days**, and may occur or be created and permitted on any number of occasions; and
 - iii) nothing shall prevent or in any way restrict the Declarant from completing the building situate on the Real Property and all improvements thereto, nor prevent the Declarant, while owning and seeking to sell any of the dwelling units in this Condominium (or any mortgagee who has a registered mortgage or charge against not less than twenty-five (25%) percent of the dwelling units in this Condominium, and who seeks to sell the dwelling units so encumbered by said mortgage or charge) from utilizing any unsold dwelling units in this Condominium for the purposes of creating and/or maintaining therein one or more marketing, sales, construction and/or customer-service office(s), as well as advertising signs and temporary model suites for display purposes (at such locations and having such dimensions and designs as the Declarant or such mortgagee may determine in their respective sole, unfettered and unchallenged discretion), until such time as all of the dwelling units in this Condominium (or such lesser number as the Declarant or any such mortgagee may determine in their respective sole, unfettered, and unchallenged discretion) have been sold and transferred by the Declarant or such mortgagee to each of the respective unit purchasers thereof.
- b) No tinted, coloured, mirrored or foil-lined interior window treatments or coverings (nor any sign, advertisement or notice of any kind, type or size) shall be placed, installed or otherwise affixed to (or near) the interior surface of any window pane(s) so as to be visible from the exterior of the Condominium. For greater clarity, only white or off-white window linings, backings or coverings (or only white or off-white window blinds or shutters) that are visible from the exterior of the Condominium may be placed, installed or otherwise affixed to (or near) the interior surface of any window pane(s)

Section 32 - Use of the Parking Units and Parking Space Portion of Parking/Locker Units

- a) Each parking unit and the parking space portion of each parking/locker unit shall be used and occupied for motor vehicle and/or bicycle parking purposes only, in strict accordance with the rules of the Corporation in force from time to time. motor-home, boat and/or snowmobile (and such other vehicles as the board may wish to exclude from the property, from time to time), but shall nevertheless specifically include any construction and/or loading vehicles used by the Declarant and/or any of its employees, agents, representatives or contractors in the course of constructing, completing, servicing and/or maintaining this Condominium (or any portion thereof), as well as any service vehicles utilized hereafter in connection with the maintenance and/or repair of the units and/or common elements within this Condominium (or any portion thereof). The owner of a parking unit or parking/locker unit may park one or more vehicles within the boundaries of such parking unit or parking/locker unit or parking/locker unit, provided however that in no instance shall any portion of any motor vehicle parked within a parking unit or parking/locker unit protrude beyond the boundaries thereof, nor encroach upon any portion of the common elements. No garage door or enclosure of any kind whatsoever shall be installed or erected upon or within any parking unit and/or parking/locker unit.

- b) The owner of a parking unit shall maintain same in a clean and sightly condition. The Corporation may make provision in/its annual budget for the cleaning and sweeping of the parking units, either in their totality, or in groups of parking units.
- c) This Condominium has been designed and constructed with three handicapped parking unit(s), each of which is clearly designated for handicapped parking on the description plan sheet filed concurrently herewith, and collectively constitute the requisite number of non-visitor handicapped parking spaces or units required for this Condominium by the applicable zoning by-law(s) of the Governmental Authorities. Non-disabled unit owners and/or occupants of any non-visitor handicapped parking units, (including a disabled unit owner who is not personally using or occupying any handicapped parking unit) shall be obligated, upon notification by the condominium corporation, to exchange, at no cost to a disabled driver who is a resident of this Condominium (and who holds a valid disabled parking permit that is appropriately displayed or visible in their vehicle), the use of the handicapped parking unit with the disabled driver's non-handicapped parking unit, throughout the duration of such disabled person's residency in this Condominium.

Section 33 - Use of the Locker Units, Storage Locker Units and Locker Portion of Parking/Locker Units

Each locker unit, storage locker unit, and locker portion of a parking/locker unit shall be used and occupied for storage purposes (including the storage of one or more bicycles therein, if same can be accommodated within the confines thereof), and for such general or hobby purposes as shall not constitute a nuisance or danger to the other owners, nor to any of the other units or common elements, nor result in the violation or contravention of any applicable zoning or building by-law(s) and/or any fire, health or safety regulation(s) of the Governmental Authorities, and any such use shall be in strict accordance with the rules of the Corporation in force from time to time. The board may, from time to time, restrict the categories of items that may be stored or used in such locker units, and which (in the opinion of the board or the Condominium's property manager, acting reasonably) may cause a nuisance or danger to the other unit owners, the units and/or the common elements. However, the Declarant shall not be prevented from storing any items within (or using) any locker unit(s) storage locker (s), and/or locker portion of parking/locker unit(s) owned by it, in any manner and/or for any purposes not expressly prohibited by the applicable zoning by-laws or regulations of the Governmental Authorities.

The use of the guest suite unit shall be subject to the provisions of all applicable by-laws and regulations of the Governmental Authorities, and also subject to the provisions of any agreement(s) entered into by the Declarant with any management/cleaning firm pertaining to same, and shall also be governed by the rules and regulations of the Condominium.

Declarant to each of the respective unit purchasers thereof.

- b) Notwithstanding anything hereinbefore or hereinafter provided to the contrary, it is hereby expressly declared and stipulated that under no circumstances shall any owner be permitted to use (or allow any other party to use) his or her commercial/retail unit (or any portion thereof) for any of the following uses or purposes (the "Prohibited Purposes") namely:

 - vi) an abortuary, or a medical clinic or medical office dispensing medical services to the public whose primary practice or ancillary services may likely cause the insurance premiums of the Condominium to increase substantially beyond that which would otherwise be ordinarily attributable to the commercial/retail uses allowed under the applicable zoning by-laws or regulations of the Governmental Authorities, or which may likely pose a greater degree of risk, nuisance or danger to the residents and occupants of this Condominium, as determined by the Declarant or the board of directors of this Condominium (acting reasonably), regardless of whether same is otherwise lawfully permitted by the applicable zoning by-laws or regulations of the Governmental Authorities.
- c) Each commercial/retail unit owner shall, at such owner's sole cost and expense, be solely responsible for:
- i) determining and satisfying himself or herself as to whether his or her commercial/retail unit may be lawfully or properly used for such owner's intended use; and

- e) Notwithstanding any provision contained in this declaration or in any bylaws or rules hereafter passed or enacted to the contrary, each owner of a commercial/retail unit shall be responsible for connecting his or her unit to the Condominium's servicing and utilities systems, and to the public or local utility authority's systems (and shall also be responsible for any changes made to the

servicing systems with respect to his or her unit, implemented from time to time), all at such owner's sole cost, risk and expense, subject however to the following overriding provisions, namely:

- i) the commercial/retail unit owner shall first submit detailed plans, drawings and specifications to both the board and the Declarant (for their information only), outlining the unit's servicing requirements (and/or changes thereto) and the desired outlets for such unit;
 - ii) the consulting engineer that is retained by the commercial/retail unit owner to implement the aforementioned servicing plans shall then certify to the Corporation and to the Declarant that the plans and specifications so submitted are in conformity with the Ontario Building Code and the Electrical Code (if applicable), and the public or local utility authority's requirements, and in accordance with the schedule of tolerances (or maximum consumption capacities) pertaining to the various utilities provided to the Condominium, as specified or outlined by the architect and/or engineer which had been retained by the Declarant in connection with the overall servicing, design and operation of the Condominium, in order to ensure that the Condominium's overall water, thermal energy, hydro-electric and/or sanitary sewer consumption or usage does not exceed permitted or acceptable levels (so as to avoid power blackouts, water shortages, etc.);
 - iii) the cost of implementing the physical hook-up work, and procuring all requisite permits, licenses and approvals as are required in accordance with the applicable zoning by-laws, the public or local utility authority's guidelines or requirements, and the Ontario Building Code and the Electrical Code (if applicable) shall be borne by the owner of the subject commercial/retail unit, along with the cost of procuring adequate liability insurance to cover any potential claim(s) for loss and/or damage to persons and/or property occasioned by the negligent hook-up or installation of any services to the unit (with coverage not less than two million dollars per occurrence), and a certified copy of said policy (naming both the Declarant, while it owns any unit in this Condominium, and the Corporation, as co-insureds) shall be submitted to the board and the Declarant (along with evidence that the annual premium(s) for such insurance coverage has been paid by such unit owner) prior to the commencement of any such work;
 - iv) the Corporation shall, forthwith upon demand, provide the commercial/retail unit owner with copies of all relevant plans, drawings and specifications of the Condominium which are in the board's possession or control (ie. pertaining to the Condominium's heating/cooling, lighting, electrical, mechanical, plumbing and servicing systems, etc.), in order to assist such owner's consultants to determine the safest and most expeditious manner of connecting the said unit to the Condominium's various servicing systems; and
 - v) the Corporation shall ensure that no actions or steps are taken by or on behalf of any other owner, resident or occupant within this Condominium, or by anyone else, which would limit, restrict or interfere with the commercial/retail unit owner's access to, and egress from, his or her unit, and all non-exclusive use common element areas on level 1 and level A respectively, at all reasonable times, in order to allow such owner (and such owner's tenants and duly authorized employees, agents, representatives and/or contractors) to carry out and complete all requisite servicing work as hereinbefore provided or contemplated.
- f) Notwithstanding any provision contained in this declaration or in any bylaws or rules hereafter passed or enacted to the contrary (and subject to compliance with the provisions of subparagraph 35(g) below), the owner of the commercial/retail unit shall, at his or her sole cost, risk and expense, be entitled to affix, attach, install, replace, pierce, puncture, or protrude onto any part of his or her unit, and/or implement and complete any Minor Installations upon or within any part of his or her commercial/retail unit, as well as those portions of the common element areas located on (or immediately adjacent to) level A and/or level 1 which contain any pipes, wires, cables or conduits that lead to (and exclusively service) his or her commercial/retail unit, all without having to obtain the consent of the board or any other unit owner(s) thereto, in order to carry out or implement any of the following, namely:
- i) to install, alter, repair or replace any servicing equipment, fixture or system which services (or is intended to service) his or her commercial/retail unit exclusively, including without limitation, any air-conditioning system, refrigeration system, heating system, plumbing system, sewage or drainage system, electrical system, mechanical system, lighting system, ecology or air filtration/ventilation system, fire alarm or fire prevention system, sound insulation or heat insulation system, sprinkler system, security system and/or loading or storage system;
 - ii) to alter the configuration of any non-load bearing wall(s) situate within the commercial/retail unit, and/or to perform the Commercial/Retail Unit Partition Removal (as hereinafter defined);

 - iv) to install, alter, remove or replace any floor covering, wall covering, ceiling covering, light fixture(s), and/or other similar finishings or installations within the subject commercial/retail unit, and generally to implement and carry out all similar improvements to or renovations of the said unit which the owner wishes to make, in order to assist such owner in the operation or conduct of his or her commercial/retail business, or any other activity lawfully carried out (or intended to be carried out) therefrom.
- g) Prior to the commencement of any of the work described or contemplated in the preceding subparagraph 35(f), the commercial/retail unit owner intending to implement or carry out such work shall comply with the following, namely:
- i) provide copies of all plans, drawings and specifications prepared by the commercial/retail unit owner's architect or engineer to both the Declarant and the board, showing in reasonable detail, the proposed installation, removal and/or alteration work, accompanied by a certificate from said architect or engineer confirming to both the Declarant and the board that such work will not unduly disturb, interrupt or interfere with (nor damage) any of the equipment or services that provide power or any utility services to any portion of the common elements, or to any dwelling unit, or to any other commercial/retail unit, or to the Commercial service areas, and further confirming that such work complies with the provisions of the applicable zoning by-laws and regulations of the Governmental Authorities, and the Ontario Building Code and the Electrical Code (if applicable); and
 - ii) ensure that any work or construction activity is carried out only between the hours of 8:00 a.m. to 8:00 p.m - Monday through Saturday (thereby excluding Sundays and statutory holidays), and establish and implement reasonable measures to ensure that any noise, vibration or interference likely to be caused to any other owner or owners (or to the pedestrian access to and egress from any of the other commercial/retail units) is minimized to a reasonable extent, and thereafter implement such measures throughout the course of undertaking and completing such work;
- h) Any work or construction activity contemplated by the provisions of subparagraph 35(f) hereof, which is carried out by an owner of a commercial/retail unit in accordance with the provisions of subparagraph 35(g) hereof, shall not be considered or construed, under any circumstances, to constitute a substantial addition, alteration, improvement to or renovation of the common elements, within the meaning or context of subsections 97(4), (5) and (6) of the Act.
- i) Notwithstanding anything contained in this declaration or in any by-laws or rules hereafter passed or enacted to the contrary, each owner of a commercial/retail unit shall, in addition to his or her proportionate share of the common expenses more particularly set out in **Schedule "D"** annexed hereto, pay and be solely responsible for the following, namely:
- i) the cost of all electricity, hot water and cold water services utilized or consumed by his or her commercial/retail unit (including the cost, on a per unit basis, of having the sub-meters or consumption meters appurtenant to each owner's commercial/retail unit read on a periodic basis, and having periodic invoices issued, and correspondingly having all monies owing thereunder from time to time duly collected and accounted for);
 - ii) the cost of maintaining and repairing all windows and doors contained within (or leading into) his or her unit, and all glass, plastic and other materials enclosing said unit (or contained therein) which constitutes part of such unit, including without limitation, the cost of cleaning and replacing (as and when necessary or desired) all signs affixed to the interior of said unit, which shall be maintained and repaired by the Corporation), as well as all plate glass windows and doors situate within (or leading into) his or her unit, together with the cost of insuring all such plate glass windows, doors and signs;
 - iii) the cost of maintaining and repairing all mechanical, electrical, lighting, heating, cooling, refrigeration and plumbing equipment, fixtures and systems, and all appurtenances thereto, which provide power and/or any other service exclusively to his or her commercial/retail unit, including without limitation, any sewage or drainage system, ecology or air filtration/ventilation system, fire alarm or fire prevention system, sound insulation system, heat insulation system, sprinkler system, security system and/or loading or storage system, regardless of whether such equipment, fixtures and/or systems lie within (or beyond) the boundaries of such unit, as monumented in **Schedule "C"** of this declaration (and as further described in section 5 of this declaration); and
 - iv) its respective Commercial/Retail Garbage Costs Share.

The foregoing is not intended to constitute a complete or exhaustive list of those costs or expenses for which a commercial/retail

unit owner shall be directly responsible, and is not intended to restrict or limit (in any manner) the various costs or expenses for which such an owner will be directly responsible pursuant to the Act, or any other provision(s) of this declaration.

- j) Notwithstanding any provision in this declaration or in any by-laws or rules hereafter passed or enacted to the contrary, it is hereby expressly declared and stipulated that the Declarant and each of the owners of any of the commercial/retail units shall be entitled to remove all or any portion of any non-load bearing partition or demising wall that separates two adjoining commercial/retail units, and which comprises part of any such unit(s), as monumented in **Schedule "C"** annexed hereto (hereinafter referred to as the "**Commercial/Retail Unit Partition Removal**"), provided such adjoining units are owned by the same party or parties, without having to obtain the consent of the board or any other unit owner(s) thereto, and provided further that such removal or alteration work complies with the provisions of subparagraph 35(f) hereof, and all applicable by-laws and regulations of the Governmental Authorities. Notwithstanding any Commercial/Retail Unit Partition Removal as aforesaid, the adjoining units affected thereby shall still constitute two separate commercial/retail units, as illustrated in the description filed concurrently herewith, and all obligations of the owner of the said two adjoining units, whether arising under the Act, this declaration, the by-laws or the rules of this Condominium (or any agreement(s) authorized by any by-law) shall remain unchanged. Where any partition or demising wall has been so removed, the owner of the two adjoining commercial/retail units may thereafter resurrect or reconstruct said wall, without having to obtain the prior consent of the board or any other unit owner(s) thereto, provided such reconstruction work complies with the original specifications with respect thereto, and with all applicable by-laws and regulations of the Governmental Authorities, and provided further that said partition or demising wall is erected in the exact same location as originally constructed by the Declarant, as illustrated and delineated in the description filed concurrently herewith, with the final siting and relocation of such wall to be certified to the board by an accredited Ontario Land Surveyor, all without any cost, charge or expense to the Corporation whatsoever.
- k) Notwithstanding anything contained in this declaration or in any by-laws or rules hereafter passed or enacted to the contrary, the Corporation and its authorized workmen, agents, representatives and/or contractors shall be entitled to gain reasonable access to (and through) the commercial/retail unit (including any access doors located within any wall(s), floor(s) or ceiling(s) of such units) during those hours of any day when the commercial/retail unit is not ordinarily open for business to the general public, on at least 48 hours prior written notice to the intended or affected unit owner(s) [with no such notice being required in the case of an emergency], for the purposes of maintaining, repairing and/or servicing any clean-out valve(s), plumbing stack(s), shut-off valve(s), electrical and/or mechanical switching mechanism(s), and all other utility, mechanical, electrical, plumbing and/or sewage equipment, installations and/or systems, and any appurtenances thereto, which service or benefit any other unit(s) and/or the common elements or any portion thereof. The Corporation shall be obliged to forthwith reimburse (and shall at all times indemnify and save harmless) the owner of the commercial/retail unit who has suffered or incurred any loss or damage to his or her unit (and/or to any goods, chattels, fixtures or equipment situate therein) as a result of the Corporation's exercise of the foregoing right to enter the said unit and maintain, repair and/or service the foregoing equipment, installation and/or systems (or incurred as a result of the Corporation's failure to properly or adequately maintain, repair and/or service same), including without limitation, any loss of revenue occasioned by the interruption of any business operated from such unit.

Section 36 - Use of Future Driveway Unit and Temporary Driveway Unit

- a) The Declarant, the Corporation and the owners of the dwelling units and commercial/retail units, and each of their respective authorized representatives, servants, residents, tenants, guests and invitees from time to time shall be entitled to non-exclusive surface use of the future driveway unit for pedestrian and vehicular purposes as soon as same is completed and operational.
- b) The Declarant, the Corporation and the owners of the dwelling units and commercial/retail units, and each of their respective authorized representatives, servants, residents, tenants, guests and invitees from time to time shall be entitled to non-exclusive surface use of the temporary driveway unit for pedestrian and vehicular purposes as soon as same is completed and operational and continuing until the ultimate closure of the Temporary Driveway in accordance with City of Toronto requirements, at which time there shall be no further use of the temporary driveway unit for vehicular purposes.
- c) When and as the Shared Access Easements contemplated by the Easement and Cooperation Agreement are transferred, those Park Lawn Owners to whom access easements over the future driveway unit and/or the temporary driveway unit have been transferred, shall, together with their respective authorized representatives, servants, residents, tenants, guests and invitees from time to time, be entitled to non-exclusive surface use of the future driveway unit and/or temporary driveway unit, as the case

may be, for pedestrian and vehicular access purposes.

- d) The City of Toronto shall also have the right to use the future driveway unit for pedestrian and vehicular access and egress for the provision of municipal services pursuant to the provisions of a transfer of easement in favour of the City of Toronto registered in the Toronto Land Registry Office as Instrument No. AT4335263.
- e) Once (i) the signalized intersection at 10 Park Lawn Road/2200 Lake Shore Boulevard West has been constructed and the traffic control signals have been activated (the "**Signalized Intersection**"), and (ii) an easement has been transferred to and in favour of the Real Property, pursuant to the provisions of the Easement and Cooperation Agreement, for vehicular and pedestrian access and egress to and from the Signalized Intersection over a fully constructed and accessible roadway and pedestrian walkway which is to be located on the lands currently owned by Onni (Westlake) Land Corp. and located adjacent to the south of the Real Property, the Declarant and its authorized contractors and representatives may enter the temporary driveway unit for the purpose of carrying out all of the work necessary or desirable in order to close the Temporary Driveway and restore the boulevard with appropriate landscaping, all to the satisfaction of the City of Toronto's General Manager of Transportation Services (the "**Work**"), all such Work to be carried out in a good and workmanlike manner and in full compliance with all applicable laws and codes and at the sole cost and expense of the Declarant.

Section 37 - Hydro Costs

- a) This Condominium has a bulk meter for **hydro electric** consumption services (which will measure and gauge the hydro-electricity service consumed or utilized by all of the dwelling units and common element areas in this Condominium, en bloc, but not the hydro-electricity service consumed or utilized by the commercial/retail units which shall be separately directly metered by Toronto Hydro), as well as the "smart" meter system referred to in clause (b) below. Without the "smart" meter system, the Corporation would receive a bulk invoice for the hydro service utilized or consumed by all of the dwelling units and common elements as a whole, from the local hydro authority or provider, pursuant to a reading taken by such authority on a bulk meter basis and be required to pay same in full on behalf of all of the respective unit owners in this Condominium, as and when due.
- b) In an effort to promote energy conservation, the Declarant has arranged for Toronto Hydro-Electric System Limited ("**Toronto Hydro**") to install a "smart" meter system in the Condominium which includes, inter alia, the following hydro-electric consumption meters:
- (i) one "smart" meter appurtenant to each of the dwelling units in the Condominium to measure each such unit's hydro-electricity consumption;
 - (ii) one "smart" meter for the common elements to measure hydro-electricity consumption in respect of the common elements; and
 - (iii) one "smart" meter for the overall Condominium to measure the total hydro-electricity consumption for the dwelling units and the common elements;
- (collectively, the "**Smart Meter System**").
- c) The Smart Meter System will remain the property of Toronto Hydro, and, pursuant to a Smart Meter installation and service agreement that has been entered into by the Declarant and assumed by the Condominium, Toronto Hydro shall operate, maintain, repair and inspect the Smart Meter System, periodically read each of the "smart" meters, issue invoices to the owner(s) of each dwelling unit respectively based upon each such unit's respective "smart" meter readings, and issue an invoice to the Corporation for the balance of the Condominium's hydro-electricity consumption based upon the "smart" meter readings. Each such dwelling unit owner shall be responsible for the cost of hydro-electricity consumption attributable to each such dwelling unit based upon such unit's respective "smart" meter readings. (with the cost of hydro -electricity so attributable to each of the said dwelling unit owners being hereinafter referred to as such owner's "**Proportionate Share of Residential Utility Consumption**" or "**P.S. R. U.C.**"). The P. S. R. U.C. attributable to each such dwelling unit shall not constitute or be construed as a common expense, but rather, shall be borne and paid for directly by each owner thereof. The Corporation shall pay for the balance of the cost of the Condominium's hydro-electricity consumption (excluding all hydro-electricity measured by "smart" meters appurtenant to the afore-mentioned dwelling units and excluding hydro-electricity used by the commercial/retail units which is separately directly metered by Toronto Hydro) and same shall form part of the common expenses.
- d) In the event that any such dwelling unit owner fails to pay his or her P.S. R. U. C. on or before the due date set out in the invoices issued to such unit owner based upon its respective "smart" meter reading, and in the event that the Corporation becomes obliged to, or elects, in its sole and unfettered discretion, to pay such invoices or any part thereof or any amount attributable to such

owner's unit, then in addition to any other rights, remedies or powers available to the Corporation at common law, by statute, or in equity, the Corporation shall be entitled to:

- i) charge and levy interest against such dwelling unit owner (hereinafter referred to as the "**Defaulting Owner**") on such unpaid P.S.R.U.C. amount, and on all costs and expenses incurred by the Corporation in collecting (or attempting to collect) same, including all legal expenses incurred by the Corporation on a solicitor-and-his-own client basis, at a rate equal to 24% per annum, calculated monthly not in advance, with interest on the unpaid P.S. R. U. C. amount commencing to accrue from the Due Date, and with interest on all of the expenses incurred in collecting (or attempting to collect) same commencing to accrue from the respective dates that the Corporation incurred or expended same, and all such interest shall continue to accrue at the aforesaid rate until the date that all of the foregoing amounts are fully paid;
 - ii) to the extent permitted by law, add the outstanding amount together with all outstanding interest to the common expenses due from such Defaulting Owner and recover same from Defaulting Owner in the same manner as common expenses (with corresponding lien rights in favour of the Corporation as apply to common expense arrears; and/or
 - iii) maintain and enforce a lien (the "**Hydro Contractual Lien**") against the Defaulting Owner's unit, as security for the payment of his or her P.S. R. U. C. amount and all costs and expenses incurred by the Corporation in collecting (or attempting to collect) same, together with all outstanding interest accruing thereon as aforesaid, and said lien shall be enforceable by the Corporation in the same manner, and to the same extent, as a real property mortgage or charge, and with all the rights, remedies and powers inherent in (or available to) a mortgagee or chargee when a mortgage or charge of real estate is in default pursuant to the provisions of The Mortgages Act R.S.O. 1990, as amended, and/or any other applicable statutory provision or common law principle applicable thereto, and in the event that the Land Titles Registrar requires the Corporation (as a prerequisite to the registration and/or enforcement of said lien) to apply to a court of competent jurisdiction for any order, direction, advice or authorization, then the Corporation shall be entitled to forthwith apply to such court for same, and the Defaulting Owner shall, for all purposes, be deemed to have consented to any such application by the Corporation.
- e) The Hydro Contractual Lien need not be registered against the title to the Defaulting Owner's unit in order to enable the Corporation to maintain or pursue a civil action against the Defaulting Owner. However, the Hydro Contractual Lien so claimed or maintained by the Corporation shall not have any priority claim against the interests of third parties in or to the Defaulting Owner's unit (including any parties having a registered mortgage, charge, security interest or other encumbrance against the Defaulting Owner's unit) unless and until the Hydro Contractual Lien (or any notice thereof, or any caution or certificate of pending litigation with respect thereto) has been registered against the title to the Defaulting Owner's unit, and once such registration has occurred, the Hydro Contractual Lien shall be deemed to be fully postponed and subordinated to all liens, mortgages, charges, security interests and any other encumbrances (including any and all amendments thereto from time to time) which are registered against the Defaulting Owner's dwelling unit in priority to the registration of the Hydro Contractual Lien (hereinafter collectively referred to as the "**Prior Charges**"), and shall also be deemed to be fully postponed and subordinated to all mortgage advances theretofore made (and/or thereafter to be made) under the Prior Charges. Any monies received by the Corporation arising from the sale of the Defaulting Owner's dwelling unit pursuant to the Corporation's enforcement of the Hydro Contractual Lien shall be applied by the Corporation in the following order of priority, namely:
- i) firstly, to pay and fully satisfy all of the Prior Charges, if any;
 - ii) secondly, to pay or reimburse the Corporation for all costs and expenses incurred in connection with its enforcement of the Hydro Contractual Lien, and the ultimate sale of the Defaulting Owner's dwelling unit thereby or thereunder, including without limitation, all legal, accounting, advertising, brokerage and other related fees, expenses and disbursements, together with all monies paid to prior encumbrancers in respect of such dwelling unit;
 - iii) thirdly, to pay or reimburse the Corporation for (or in respect of) the Defaulting Owner's P.S. R. U. C. amount, or such portion thereof as remains unpaid, together with all outstanding interest charges accrued thereon, as well as interest accrued on the Corporation's expenses incurred in collecting (or attempting to collect) same, all at the aforesaid rate of 24% per annum, calculated monthly, not in advance;
 - iv) fourthly, to pay and attempt to satisfy the claims of any subsequently registered lienholders, chargees or other encumbrancers (registered against such Defaulting Owner's dwelling unit after the registration of the Corporation's lien), in accordance with their respective priorities pursuant to the provisions of the Land Titles Act, R.S.O. 1990, as amended, and of the Act; and
 - v) fifthly, the surplus or residue, if any, shall thereafter be paid to the Defaulting Owner, or to his or her successors and assigns.
- f) The execution by the Corporation of a certificate confirming that the Corporation does, or does not, maintain or claim a Hydro

Contractual Lien against a particular unit, pursuant to the foregoing provisions of this section, shall constitute irrefutable evidence and proof of same, and the Corporation shall be obliged to execute such a certificate forthwith upon its receipt of a written request for same from the Declarant, any prospective purchaser or mortgagee of any such unit, the then current registered owner thereof, or from any other party interested in such information, at a charge, fee or expense to the party so requesting same not exceeding \$100 inclusive of any and all applicable sales and excise taxes (but at no charge, fee or expense whatsoever to the Declarant requesting same). Any registered mortgagee, or any purchaser or prospective mortgagee of the Defaulting Owner's unit shall, upon payment to the Corporation of the full amount secured by the Hydro Contractual Lien so maintained by the Corporation pursuant to the foregoing provisions of this section, have the right to receive a full and complete discharge or an absolute assignment of the Hydro Contractual Lien, provided that such party must first deliver written notice to the Corporation requesting such discharge or assignment, setting forth a date and time for the delivery of such discharge or assignment [which date shall not be less than ten (10) days, nor more than thirty (30) days following the delivery of such notice], and with the exchange of such discharge or assignment for the monies owing to the Corporation therefor to be undertaken pursuant to (and in accordance with) the provisions of a document registration agreement [in the most recent form adopted by the Joint LSUC - CBAO Committee On Electronic Registration Of Title Documents], and upon the Corporation's receipt of the full amount secured by the Hydro Lien, the Corporation shall electronically execute and release for registration the discharge or assignment of the Hydro Lien to the other party.

- g) Each of the **commercial/retail units** will have a separate Toronto Hydro meter which will measure and gauge the hydro-electricity service consumed or utilized by such commercial/retail unit and the owner of each commercial/retail unit shall be directly invoiced by Toronto Hydro for its hydro-electricity consumption and such owner shall be solely responsible for the payment of all amounts so invoiced by Toronto Hydro, which cost shall not comprise part of the common expenses.

Section 38 - Water Costs

- a) This Condominium has been designed and constructed with one bulk meter for water consumption (which will measure and gauge the water services consumed or utilized by all of the dwelling units and commercial/retail units and all of the common element areas in this Condominium, en bloc). However, the Declarant has installed a separate water check or consumption meter appurtenant to the **commercial/retail units** for the purposes of measuring and gauging the water services consumed by each such unit. The Corporation shall be obliged to maintain and repair, as and when necessary, the water check or consumption meter appurtenant to each such commercial/retail unit, in order to ensure that the said check or consumption meter operates properly, but the owner of such commercial/retail unit shall be obliged to pay (and/or reimburse the Corporation for) all maintenance and repair costs incurred in connection with such owner's water check or consumption meter. The Corporation will accordingly receive a bulk invoice for the water service utilized or consumed by all of the units and common elements as a whole, from the local water authority or supplier, pursuant to readings taken by such authority or supplier on a bulk meter basis (hereinafter referred to as the "**Bulk Water Bill**"), and the Corporation shall be responsible for the payment of the Bulk Water Bill in full on behalf of all of the respective unit owners, as and when due. Forthwith following the Corporation's receipt of the Bulk Water Bill from time to time, the Corporation shall cause the water check or consumption meters appurtenant to each such commercial/retail unit to be read, and shall thereafter issue and submit its own separate invoice(s) to the owner of such commercial/retail unit, reflecting the cost of the water consumption attributable to such commercial/retail unit (with the cost of such water service or consumption so attributable to such commercial/retail unit being hereinafter referred to as such owner's "**Proportionate Share of Commercial Water Consumption**" or "**P.S.C.W.C.**"). Each such commercial/retail unit owner shall be obliged to pay to the Corporation his or her P.S.C.W.C. on or before the tenth (10th) day following receipt of an invoice for same from the Corporation (hereinafter referred to as the "**Commercial Water Due Date**"). In the event that the owner of such commercial/retail unit fails to pay to the Corporation his or her P.S.C.W.C. on or before the Commercial Water Due Date, then in addition to any other rights, remedies or powers available to the Corporation at common law, by statute, or in equity, the Corporation shall be entitled to:
- i) charge and levy interest against such owner (hereinafter referred to as the "**Defaulting Commercial Owner**") on such unpaid P.S.C.W.C. amount, and on all costs and expenses incurred by the Corporation in collecting (or attempting to collect) same, including all legal expenses incurred by the Corporation on a solicitor-and-his-own client basis or substantial-indemnity scale, at a rate equal to 24% per annum, calculated monthly not in advance, with interest on the unpaid P.S.C.W.C. amount commencing to accrue from the Commercial Water Due Date, and with interest on all of the expenses incurred in collecting (or attempting to collect) same commencing to accrue from the respective dates that the

Corporation incurred or expended same, and all such interest shall continue to accrue at the aforesaid rate until the date that all of the foregoing amounts are fully paid;

- ii) add, to the extent permitted by law, the outstanding amount owing by the Defaulting Commercial Owner for such unpaid P.S.C.W.C. amount, together with all outstanding interest accrued thereon as aforesaid to the common expenses that are otherwise due and owing or payable by such Defaulting Commercial Owner to the Corporation and to recover same from the Defaulting Commercial Owner in the same manner as common expenses (and with corresponding lien rights in favour of the Corporation as apply to common expense arrears); and/or
 - iii) maintain and enforce a lien against the Defaulting Commercial Owner's commercial/retail unit, as security for the payment of his or her P.S.C.W.C. amount, and for all costs and expenses incurred by the Corporation in collecting (or attempting to collect) same, together with all outstanding interest accruing thereon as aforesaid (hereinafter referred to as the "**Water Contractual Lien**"), and it is hereby declared and stipulated that the Water Contractual Lien shall be enforceable by the Corporation in the same manner, and to the same extent, as a real property mortgage or charge, and with all the rights, remedies and powers inherent in (or available to) a mortgagee or chargee when a mortgage or charge of real estate is in default pursuant to the provisions of the Mortgages Act, R.S.O. 1990, as amended, and/or any other applicable statutory provision or common law principle applicable thereto, and in the event that the Land Titles Registrar requires the Corporation (as a prerequisite to the registration and/or enforcement of said lien) to apply to a court of competent jurisdiction for any order, direction, advice or authorization, then the Corporation shall be entitled to forthwith apply to such court for same, and the Defaulting Commercial Owner shall, for all purposes, be deemed to have consented to any such application by the Corporation.
- b) Any monies received by the Corporation arising from the sale of the Defaulting Commercial Owner's commercial/retail unit pursuant to the Corporation's enforcement of the Water Contractual Lien shall be applied by the Corporation in the following order of priority, namely:
- i) firstly, to pay and fully satisfy all encumbrances registered against the Defaulting Commercial Owner's commercial/retail unit which at law have priority over the Water Contractual Lien, if any;
 - ii) secondly, to pay or reimburse the Corporation for all costs and expenses incurred in connection with its enforcement of the Water Contractual Lien, and the ultimate sale of the Defaulting Commercial Owner's commercial/retail unit thereby or thereunder, including without limitation, all legal, accounting, advertising, brokerage and other related fees, expenses and disbursements, together with all monies paid to prior encumbrancers in respect of Defaulting Commercial Owner's commercial/retail unit;
 - iii) thirdly, to pay or reimburse the Corporation for (or in respect of) the Defaulting Commercial Owner's P.S.C.W.C. amount, or such portion thereof as remains unpaid, together with all outstanding interest charges accrued thereon, as well as interest accrued on the Corporation's expenses incurred in collecting (or attempting to collect) same, all at the aforesaid rate of 24% per annum, calculated monthly, not in advance;
 - iv) fourthly, to pay and attempt to satisfy the claims of any subsequently registered lienholders, chargees or other encumbrancers (registered against such Defaulting Commercial Owner's commercial/retail unit), in accordance with their respective priorities pursuant to the provisions of the Land Titles Act, R.S.O. 1990, as amended, and any applicable provisions of the Act; and
 - v) fifthly, the surplus or residue, if any, shall thereafter be paid to the Defaulting Commercial Owner, or to his or her heirs, estate trustees, successors and assigns.

The execution by the Corporation of a certificate confirming that the Corporation does, or does not, maintain or claim a Water Contractual Lien against a particular commercial/retail unit, pursuant to the foregoing provisions of this section, shall constitute irrefutable evidence and proof of same, and the Corporation shall be obliged to execute such a certificate forthwith upon its receipt of a written request for same from the Declarant, any prospective purchaser or mortgagee of any such commercial/retail unit, the then current registered owner thereof, or from any other party interested in such information, at a charge, fee or expense to the party so requesting same not exceeding \$100 exclusive any and all applicable sales or excise taxes (but at no charge, fee or expense whatsoever to the Declarant requesting same). Any registered mortgagee, or any purchaser or prospective mortgagee of the Defaulting Commercial Owner's unit shall, upon payment to the Corporation of the full amount secured by the Water Contractual Lien so maintained by the Corporation pursuant to the foregoing provisions of this section, have the right to receive a full and complete discharge or an absolute assignment thereof, provided that such party must first deliver written notice to the Corporation requesting such discharge or assignment, setting forth a date and time for the delivery of such discharge or assignment

[which date shall not be less than ten (10) days, nor more than thirty (30) days following the delivery of such notice], and, with the exchange of such discharge or assignment for the monies owing to the Corporation therefor to be undertaken pursuant to (and in accordance with) the provisions of a document registration agreement [in the form adopted by the Joint LSUC - OBA Committee On Electronic Registration Of Title Documents on March 29th, 2004 (and posted onto the Law Society's website on April 8th, 2004), or any successor version thereof], and upon the Corporation's receipt of the full amount secured by the Water Contractual Lien, the Corporation shall electronically execute and release for registration the discharge or assignment of the Water Contractual Lien to the other party.

- c) In the event that the Corporation retains the services of a monitor to read the individual water check or consumption meters appurtenant to the commercial/retail units having such meters, and to correspondingly issue invoices to each of the respective commercial/retail unit owners for the cost of their respective consumption of water service (determined in accordance with the aforementioned sub-meter readings), then to facilitate the payment of such invoices, each such commercial/ retail unit owners shall (forthwith following a written request made by the Corporation or the monitor to do so) make their requisite payments of the said water invoices by way of a pre-authorized cheque plan, and shall execute such bank forms, authorizations, documents and instruments as may be reasonably required from time to time by the Corporation or the monitor in order to implement (and give full force and effect to) any such pre-authorized cheque plan. The monitor may also require a deposit from each such commercial/retail unit owner (payable in advance of the monitor undertaking any of its contracted services) not exceeding the estimated cost of water consumption attributable to such owner's unit for a 3 month period, based on the monitor's reasonable estimate of same, utilizing prevailing commercial water industry standards. The monitor shall also be entitled to charge a monthly administration fee directly to each such commercial/retail unit owners (incorporated as part of each periodic invoice for the cost of the water service so consumed), as compensation for the monitor's reading and invoicing services.

Section 39 - Natural Gas Costs

- a) This Condominium has been designed and constructed with one bulk meter for natural gas consumption (which will measure and gauge the natural gas services consumed or utilized by all of the dwelling units and commercial/retail units and all of the common element areas in this Condominium, en bloc). However, the Declarant has installed a separate natural gas check or consumption meter appurtenant to the **commercial/retail units** for the purposes of measuring and gauging the natural gas services consumed by each such unit. The Corporation shall be obliged to maintain and repair, as and when necessary, the natural gas check or consumption meter appurtenant to each such commercial/retail unit, in order to ensure that the said check or consumption meter operates properly, but the owner of such commercial/retail unit shall be obliged to pay (and/or reimburse the Corporation for) all maintenance and repair costs incurred in connection with such owner's natural gas check or consumption meter. The Corporation will accordingly receive a bulk invoice for the natural gas service utilized or consumed by all of the units and common elements as a whole, from the local natural gas authority or supplier, pursuant to readings taken by such authority or supplier on a bulk meter basis (hereinafter referred to as the "**Bulk Natural Gas Bill**"), and the Corporation shall be responsible for the payment of the Bulk Natural gas Bill in full on behalf of all of the respective unit owners, as and when due. Forthwith following the Corporation's receipt of the Bulk Natural gas Bill from time to time, the Corporation shall cause the natural gas check or consumption meters appurtenant to each such commercial/retail unit to be read, and shall thereafter issue and submit its own separate invoice(s) to the owner of such commercial/retail unit, reflecting the cost of the natural gas consumption attributable to such commercial/retail unit (with the cost of such natural gas service or consumption so attributable to such commercial/retail unit being hereinafter referred to as such owner's "**Proportionate Share of Commercial Natural Gas Consumption**" or "**P.S.C.G.C.**"). Each such commercial/retail unit owner shall be obliged to pay to the Corporation his or her P.S.C.G.C. on or before the tenth (10th) day following receipt of an invoice for same from the Corporation (hereinafter referred to as the "**Commercial Natural Gas Due Date**"). In the event that the owner of such commercial/retail unit fails to pay to the Corporation his or her P.S.C.G.C. on or before the Commercial Natural gas Due Date, then in addition to any other rights, remedies or powers available to the Corporation at common law, by statute, or in equity, the Corporation shall be entitled to:
- i) charge and levy interest against such owner (hereinafter referred to as the "**Defaulting Commercial Owner**") on such unpaid P.S.C.G.C. amount, and on all costs and expenses incurred by the Corporation in collecting (or attempting to collect) same, including all legal expenses incurred by the Corporation on a solicitor-and-his-own client basis or substantial-indemnity scale, at a rate equal to 24% per annum, calculated monthly not in advance, with interest on the unpaid P.S.C.G.C.. amount commencing to accrue from the Commercial Natural gas Due Date, and with interest on all of the expenses incurred in collecting (or attempting to collect) same commencing to accrue from the respective dates

that the Corporation incurred or expended same, and all such interest shall continue to accrue at the aforesaid rate until the date that all of the foregoing amounts are fully paid;

- ii) add, to the extent permitted by law, the outstanding amount owing by the Defaulting Commercial Owner for such unpaid P.S.C.G.C. amount, together with all outstanding interest accrued thereon as aforesaid to the common expenses that are otherwise due and owing or payable by such Defaulting Commercial Owner to the Corporation and to recover same from the Defaulting Commercial Owner in the same manner as common expenses (and with corresponding lien rights in favour of the Corporation as apply to common expense arrears); and/or
 - iii) maintain and enforce a lien against the Defaulting Commercial Owner's commercial/retail unit, as security for the payment of his or her P.S.C.G.C. amount, and for all costs and expenses incurred by the Corporation in collecting (or attempting to collect) same, together with all outstanding interest accruing thereon as aforesaid (hereinafter referred to as the "Natural Gas Contractual Lien"), and it is hereby declared and stipulated that the Natural Gas Contractual Lien shall be enforceable by the Corporation in the same manner, and to the same extent, as a real property mortgage or charge, and with all the rights, remedies and powers inherent in (or available to) a mortgagee or chargee when a mortgage or charge of real estate is in default pursuant to the provisions of the Mortgages Act, R.S.O. 1990, as amended, and/or any other applicable statutory provision or common law principle applicable thereto, and in the event that the Land Titles Registrar requires the Corporation (as a prerequisite to the registration and/or enforcement of said lien) to apply to a court of competent jurisdiction for any order, direction, advice or authorization, then the Corporation shall be entitled to forthwith apply to such court for same, and the Defaulting Commercial Owner shall, for all purposes, be deemed to have consented to any such application by the Corporation.
- b) Any monies received by the Corporation arising from the sale of the Defaulting Commercial Owner's commercial/retail unit pursuant to the Corporation's enforcement of the Natural Gas Contractual Lien shall be applied by the Corporation in the following order of priority, namely:
- i) firstly, to pay and fully satisfy all encumbrances registered against the Defaulting Commercial Owner's commercial/retail unit which at law have priority over the Natural Gas Contractual Lien, if any;
 - ii) secondly, to pay or reimburse the Corporation for all costs and expenses incurred in connection with its enforcement of the Natural Gas Contractual Lien, and the ultimate sale of the Defaulting Commercial Owner's commercial/retail unit thereby or thereunder, including without limitation, all legal, accounting, advertising, brokerage and other related fees, expenses and disbursements, together with all monies paid to prior encumbrancers in respect of Defaulting Commercial Owner's commercial/retail unit;
 - iii) thirdly, to pay or reimburse the Corporation for (or in respect of) the Defaulting Commercial Owner's P.S.C.G.C. amount, or such portion thereof as remains unpaid, together with all outstanding interest charges accrued thereon, as well as interest accrued on the Corporation's expenses incurred in collecting (or attempting to collect) same, all at the aforesaid rate of 24% per annum, calculated monthly, not in advance;
 - iv) fourthly, to pay and attempt to satisfy the claims of any subsequently registered lienholders, chargees or other encumbrancers (registered against such Defaulting Commercial Owner's commercial/retail unit), in accordance with their respective priorities pursuant to the provisions of the Land Titles Act, R.S.O. 1990, as amended, and any applicable provisions of the Act; and
 - v) fifthly, the surplus or residue, if any, shall thereafter be paid to the Defaulting Commercial Owner, or to his or her heirs, estate trustees, successors and assigns.

The execution by the Corporation of a certificate confirming that the Corporation does, or does not, maintain or claim a Natural Gas Contractual Lien against a particular commercial/retail unit, pursuant to the foregoing provisions of this section, shall constitute irrefutable evidence and proof of same, and the Corporation shall be obliged to execute such a certificate forthwith upon its receipt of a written request for same from the Declarant, any prospective purchaser or mortgagee of any such commercial/retail unit, the then current registered owner thereof, or from any other party interested in such information, at a charge, fee or expense to the party so requesting same not exceeding \$100 exclusive any and all applicable sales or excise taxes (but at no charge, fee or expense whatsoever to the Declarant requesting same). Any registered mortgagee, or any purchaser or prospective mortgagee of the Defaulting Commercial Owner's unit shall, upon payment to the Corporation of the full amount secured by the Natural Gas Contractual Lien so maintained by the Corporation pursuant to the foregoing provisions of this section, have the right to receive a full and complete discharge or an absolute assignment thereof, provided that such party must first deliver written notice to the Corporation requesting such discharge or assignment, setting forth a date and time for the delivery of such discharge or assignment

[which date shall not be less than ten (10) days, nor more than thirty (30) days following the delivery of such notice], and, with the exchange of such discharge or assignment for the monies owing to the Corporation therefor to be undertaken pursuant to (and in accordance with) the provisions of a document registration agreement [in the form adopted by the Joint LSUC - OBA Committee On Electronic Registration Of Title Documents on March 29th, 2004 (and posted onto the Law Society's website on April 8th, 2004), or any successor version thereof], and upon the Corporation's receipt of the full amount secured by the Natural Gas Contractual Lien, the Corporation shall electronically execute and release for registration the discharge or assignment of the Natural Gas Contractual Lien to the other party.

The monitor may also require a deposit from each such commercial/retail unit owner (payable in advance of the monitor undertaking any of its contracted services) not exceeding the estimated cost of natural gas consumption attributable to such owner's unit for a 3 month period, based on the monitor's reasonable estimate of same, utilizing prevailing commercial natural gas industry standards. Section 42 - Tenant's Liability

No tenant shall be liable for the payment of common expenses unless notified in writing by the Corporation that the landlord/owner of the unit which the said tenant is occupying is in default of payment of common expenses, and requiring the said tenant to pay to the Corporation an amount equal to the defaulted payment, in which case the tenant shall deduct from the rent otherwise payable to the said landlord/owner, an amount equal to the defaulted payment, and shall forthwith pay same to the Corporation.

Section 43 - Owner's Liability

Any owner leasing his or her unit shall not be relieved thereby from any of his or her obligations with respect to the unit, which obligations shall be joint and several with his or her tenant.

PART 7 - MAINTENANCE AND REPAIRS

Section 44 - Maintenance and Repairs to the Units

- a) Save as otherwise specifically provided in this declaration to the contrary, and except for the future driveway unit and temporary driveway unit, which shall at all times be maintained and repaired by the Corporation at its sole cost and expense (and whether or not the Corporation is the owner thereof), each owner shall maintain his or her unit, and, subject to the provisions of this declaration, each owner shall repair his or her unit after damage, all at such owner's sole cost and expense, save and except for any requisite repair after normal wear and tear [which is included or encompassed within the obligation to maintain, by virtue of

section 90(2) of the Act] and/or any repair of damage for which the cost of repair is recovered under any policy of insurance held or maintained by the Corporation, in which case the Corporation shall be obliged to expend such insurance proceeds in order to undertake and complete all requisite repairs to the damaged unit [excluding, however, any and all improvements made to the damaged unit, as determined by reference to a standard unit for the class of unit to which the unit belongs, as more particularly described in a by-law of the Corporation made under subsection 56(1)(h) of the Act, or alternatively described in a schedule prepared by the Declarant and delivered to the Corporation at the turnover meeting in accordance with subsection 43(5)(h) of the Act, if and where the board has not yet enacted any such by-law].

- b) Each owner of a dwelling unit shall be responsible for the cost of maintaining and repairing the fan-coil unit (including the fans, coils, filters, valves, pumps, controls etc., and all equipment appurtenant thereto) comprising all or part of the heating and/or cooling system servicing his or her dwelling unit (hereinafter collectively referred to as each dwelling unit's "**Heating/Cooling System**"), irrespective of whether same is installed or located within or beyond the boundaries of the dwelling unit, as more particularly delineated in Schedule "C" annexed to this declaration, provided however that all maintenance and repair work undertaken in connection therewith shall be arranged by the Corporation, and shall be carried out exclusively by the Corporation's authorized agents, representatives, employees and/or retained contractors or subcontractors, but shall nevertheless be paid for by the affected unit owner immediately upon the Corporation's presentation of an invoice for same, and in the event such invoice is not paid when due, then the provisions of subparagraph section 44(e) and section 50 of this declaration shall apply. Each owner of a dwelling unit shall accordingly notify the Corporation or the Condominium's property manager regarding any needed maintenance and/or repair work to such owner's Heating/Cooling System (and any equipment appurtenant thereto), and shall allow the Corporation's authorized agents, representatives, employees and/or retained contractors or subcontractors, access thereto at all reasonable times in order to carry out said work.
- c) Each owner of a commercial/retail unit shall be solely responsible for:
- i) the maintenance and repair of all windows and doors contained within (or leading into) his or her unit, and all glass, plastic and other materials enclosing said unit (or otherwise contained therein) which constitutes part of such unit, including without limitation, the cost of maintaining, repairing and/or replacing all signs and advertising materials placed within such owner's commercial/retail unit (as and when necessary or desired by such owner), as well as all plate glass windows and doors situate within (or leading into) his or her commercial/retail unit, together with the cost of insuring all such plate glass windows, doors and signs; and
 - ii) the cost of maintaining and repairing all mechanical, electrical, lighting, heating, cooling, refrigeration and plumbing equipment, fixtures and systems, and all appurtenances thereto, which provide power and/or any other service exclusively to his or her commercial/retail unit, including without limitation, any applicable sewage or drainage system, ecology or air filtration/ventilation system, fire alarm or fire prevention system, sound insulation system, heat insulation system, sprinkler system, security system and/or loading or storage system that exclusively serves such owner's commercial/retail unit, regardless of whether such equipment, fixtures and/or systems lie within (or beyond) the boundaries of such unit, as monumented in Schedule "C" of this declaration (and as further described in section 5 of this declaration); provided however that all maintenance and repair work required to be undertaken in connection with the heating and/or cooling equipment, installations and/or systems serving any commercial/retail unit shall be arranged by the Corporation, and shall be carried out exclusively by the Corporation's authorized agents, representatives, employees and/or retained contractors or subcontractors, but shall nevertheless be paid for by the affected unit owner immediately upon the Corporation's presentation of an invoice for same, and in the event such invoice is not paid when due, then the provisions of section 44(e) and section 50 of this declaration shall apply. Each owner of a commercial/retail unit shall accordingly notify the Corporation or the Condominium's property manager regarding any needed maintenance and/or repair work to such owner's heating and/or cooling system (and any equipment appurtenant thereto), and shall allow the Corporation's authorized agents, representatives, employees and/or retained contractors or subcontractors, access thereto at all reasonable times in order to carry out said work.
- d) Notwithstanding anything hereinbefore provided to the contrary, it is hereby declared and stipulated that each unit owner shall be responsible for all damages to any other unit(s), and to the common elements, which are caused by the failure of such owner to maintain and repair his or her unit in accordance with the provisions of this declaration, save and except for any damages for which the cost of repairing same has been (or will be) recovered or reimbursed under any policy of insurance held or maintained by the Corporation, provided however that any such owner who has failed to so maintain or repair his or her unit shall nevertheless

be responsible for fully reimbursing the Corporation forthwith for any insurance deductible amount paid or payable by or on behalf of the Corporation in connection with any insured claim submitted or pursued in respect of any such damages.

- e) In accordance with the provisions of section 92 of the Act, the Corporation shall make any repairs that any owner is obligated to make (and that he or she does not make within a reasonable time), after written notice is given to such owner by the Corporation. In such event, the said owner shall be deemed to have consented to having repairs done to his or her unit by the Corporation, and shall reimburse the Corporation in full for the cost of such repairs, including any legal fees and collection costs incurred by the Corporation in order to collect the costs of such repairs, and all such costs shall bear interest at the rate of twenty-four (24%) percent per annum, calculated monthly not in advance, until paid by said owner. The Corporation may collect such costs in one or more installments (as the board may decide upon), and same shall be added to the monthly contributions towards the common expenses of such owner, after receipt of written notice from the Corporation thereof, and shall be treated in all respects as common expenses, and be recoverable as such (and with corresponding lien rights in favour of the Corporation similar to the case of common expense arrears).
- f) In addition to the requirements of section 123 of the Act [which are imposed upon the Corporation when the building has been substantially damaged, as expressly defined or determined in accordance with the provisions of subsection 123(2) of the Act], the Corporation shall deliver, by registered mail to all mortgagees who have notified the Corporation of their interest in any unit (and of their corresponding entitlement to exercise the right of the unit owner to vote), notice that substantial damage has occurred to the property of the Condominium, together with notice of the meeting to be held to determine whether or not to repair such damage.
- g) Notwithstanding anything hereinbefore or hereinafter provided to the contrary, it is hereby declared and stipulated that where a unit owner is responsible (pursuant to the provisions of this declaration) for the maintenance or repair of any matter, item or component which is not fully accessible from or by such owner's unit (or any exclusive use common element areas appurtenant thereto), or alternatively where the Corporation is responsible (pursuant to the foregoing provisions of this declaration) for the maintenance or repair of any portion of such owner's unit, then in either of such circumstances, such owner shall not undertake or complete said maintenance or repair work, but rather shall be obliged to notify the Corporation of the needed or desired maintenance or repair work with respect to same, and shall provide reasonable access to or through such owner's unit (and to any exclusive use common element areas appurtenant thereto) to the Corporation's authorized agents, representatives, employees and/or retained contractors in order to facilitate such maintenance or repair work by the Corporation's authorized agents, representatives, employees and/or retained contractors, and said work shall be carried out and completed at the sole cost and expense of such owner (unless the Corporation was obliged to carry out said work, at its sole cost and expense, in accordance with any of the foregoing provisions hereof). In those circumstances where the owner is solely responsible for the cost of any maintenance or repair work undertaken by the Corporation's authorized agents, representatives, employees and/or retained contractors as hereinbefore provided, the Corporation shall invoice such owner for all costs and expenses incurred in connection with any such maintenance or repair work so undertaken, and the unit owner shall forthwith pay same to the Corporation, failing which all such costs and expenses shall be added to the monthly contributions towards the common expenses of such owner, and shall be treated in all respects as common expenses, and be recoverable as such (and with corresponding lien rights in favour of the Corporation similar to the case of common expense arrears).

Section 45 - Maintenance and Repairs to Common Elements

- a) Save as otherwise specifically provided elsewhere in this declaration to the contrary, the Corporation shall be obliged to maintain, and repair after damage, the common elements, but excluding any improvements to (and/or any facilities, equipment, services and/or amenities installed by any unit owner upon or within) any common element area designated for the exclusive use of any particular unit owner pursuant to Schedule "F" of this declaration.
- b) In order to maintain a uniform appearance and/or an aesthetically pleasing and compatible appearance throughout this Condominium, the Corporation's duty to maintain and repair shall extend to:
- i) all outdoor landscaping (whether characterized as hard or soft landscaping features or elements) situate within any non-exclusive use common element areas, and for the purposes of this declaration, such maintenance and repair work relative to such outdoor landscaping shall include, without limitation, grass cutting, trimming, fertilizing, weed control and watering;
 - ii) all outdoor walkways, stairways and driveways comprising part of the common elements, and for the purposes of this declaration, such maintenance and repair work relative to said walkways, stairways and driveways shall include the

- clearing of snow, ice and debris therefrom;
- iii) all exterior perimeter fences or decorative walls erected by the Declarant along the boundaries of the Real Property (or any portion thereof), if applicable; and
 - iv) the exterior surfaces of doors which provide access to the units, and to exterior door frames, exterior window frames and all exterior surfaces of windows [except for the maintenance of the exterior surfaces of windows within any dwelling units that are accessible by balconies, in respect of which the responsibility for maintenance only, but not for repairs, shall reside solely with the affected dwelling unit owner(s)].
- c) Notwithstanding anything provided in the preceding sections 45 (a) and (b) hereof to the contrary, and subject to the execution of an AAI Agreement (entered into between the Corporation and the affected unit owner) where required by the Act, it is expressly stipulated and declared that:
- i) each unit owner shall be responsible for the maintenance of all interior door and interior window surfaces with respect to his or her unit;
 - ii) each dwelling unit owner having exclusive use of any balcony, shall be responsible for the cleaning, sweeping and general maintenance thereof, and may install any tile or floor covering (excluding any carpeting and under-padding) within any such balcony, provided such owner takes all reasonable measures to ensure (as far as reasonably possible) that the concrete surface of such balcony remains clean, dry and impervious to water penetration (with a view to avoiding concrete deterioration, delamination and/or corrosion), and provided further that:
 - A) any such tile or floor covering is impermeable to water, or bonded to the concrete balcony floor so as to prevent water or moisture penetration onto the concrete surface (and incorporates proper details at all protruding elements, such as drains and/or balcony rail anchors, as well as termination details, such as upturns and downturns at the balcony perimeter);
 - B) details of the installation of such tile or floor covering are supplied by the unit owner to the board or the Corporation's property manager, and such installation has been duly approved by the board or the Corporation's property manager (as the case may be), or alternatively, such proposed tile or floor covering has been approved for installation by the declarant's original design engineer (at the expense of the unit owner), with such approval being confirmed in writing and addressed and delivered to the board; and
 - C) in the event that any such tile or floor covering needs to be removed or replaced in order to accommodate any requisite repair work to the common elements, then the cost of such removal and/or replacement shall be borne solely by the affected unit owner;
 - iii) save and except as otherwise provided in this declaration to the contrary, each dwelling unit owner having exclusive use of any balcony, shall not alter or repair said balcony, nor apply any paint, stucco, wallpaper, varnish, stain or other materials or finishes to any portion thereof (nor to any portion of the exterior window glazing), nor alter or change the colour, texture and/or materials constituting same, without the prior written consent of the Corporation;
 - iv) each dwelling unit owner having the benefit of interlocking and/or paved stones, planter boxes, wrought iron fences (or any other type of privacy fence) and/or any other landscaping materials or elements constructed, erected or installed by the Declarant on or within any exclusive use balcony appurtenant to the unit of such owner (hereinafter collectively referred to as the "**Exclusive-Use Landscaping Materials**"), shall be responsible for the maintenance and repair thereof, and for the watering and maintenance of all flowers, plants and soil materials growing or placed within same, provided however that all waterproofing/weatherproofing materials, insulation materials, grout and/or crushed stone, and all other materials or substances installed by the Declarant immediately beneath (or on the underside of) the interlocking/paved stones shall be maintained and repaired by the Corporation (at the Corporation's sole cost and expense), and provided further that:
 - A) if any interlocking stones, concrete slabs, paved stones and/or planter boxes comprising part of the Exclusive-Use Landscaping Materials are required to be removed, replaced and/or reset in order to enable or facilitate the Corporation's maintenance and repair of the aforementioned waterproofing/weatherproofing materials, insulation materials, grout and/or crushed stone, etc., then the Corporation shall (in the absence of any damage caused thereto by the negligence or wilful misconduct of such owner, or of the residents, tenants, invitees or licensees of such owner's unit) be responsible for the cost of such removal, replacement and/or resetting, and shall (to the extent reasonably possible) restore the same to its original condition (at no cost to the affected owner); and

- B) no maintenance or repair work intended to be implemented by any owner with respect to the Exclusive-Use Landscaping Materials (or any portion thereof) which might give rise to a change in the colour, texture, design, size, style, composition or appearance thereof shall be made or undertaken by anyone other than the Declarant (or the Declarant's designated agents, representatives, employees and/or retained contractors), or by any contractor(s) approved by the board for and on behalf of the affected owner (at such owner's sole cost, risk and expense), without the prior written consent of the Corporation; and
- v) notwithstanding anything hereinbefore provided to the contrary, it is expressly declared and stipulated that no addition, alteration, maintenance or repair work which, if implemented by any unit owner, would entail or give rise to a change in the colour, texture, design, size, style or materials comprising any of the interlocking stones, concrete slabs, paved stones, wrought iron fencing (or any other type of privacy fence or screen), planter boxes, plants, trees, shrubs and/or other landscaping materials or features installed by the Declarant upon or within any portion of the common elements, and which are not growing or situate within one or more portable self-contained planter boxes, whether in the course of carrying out such owner's maintenance and repair responsibilities as hereinbefore provided or otherwise, shall be made or implemented without the prior written consent of the Corporation. The owner effecting or implementing any such addition, alteration, maintenance or repair work (or on whose behalf same is being undertaken) shall, despite the consent of the Corporation having been obtained thereto, nevertheless be solely responsible and liable for any damage caused (either directly or indirectly) to any concrete, waterproofing membrane, drainage pipe or other component(s) of the common elements, or to any other unit(s), as a result of any such addition, alteration, maintenance and/or repair having been made by or on behalf of such owner, and shall indemnify and save the Corporation harmless from and against all costs, claims, damages and/or liabilities arising therefrom.
- d) Each unit owner having the exclusive use of a balcony shall, upon the Corporation's request, provide access thereto to the Corporation (or to any of its authorized agents, representatives, employees and/or retained contractors), for the purpose of facilitating or expediting the maintenance or repair thereof and/or any unit(s) or common element area(s) in this Condominium, and shall also allow the Declarant and/or the Condominium to temporarily attach or affix to the exterior of any owner's dwelling unit (and/or to any exclusive use common element area appurtenant thereto) a davit arm and appurtenant cables, as well as a swing stage and window washing scaffolding, and/or any other equipment, mechanisms and/or apparatus required or desired to enable or facilitate the cleaning of all windows exterior to the dwelling units not accessible by any balcony, and/or any other maintenance or repair work desired to be undertaken by the Corporation to any exterior building components of the Condominium.
- e) *if any commercial/retail unit owner has the exclusive use of an outdoor patio area appurtenant to (or allocated to) his or her commercial/retail unit pursuant to the provisions of Schedule "F" to this declaration, then such commercial/retail unit owner shall be responsible for the cleaning, sweeping and general maintenance thereof, and such outdoor patio area (and the adjoining City sidewalk area for which a license to use and to temporarily encroach upon has been obtained by the affected commercial/retail unit owner) may be used for the temporary display of goods sold within the commercial/retail unit to which it is appurtenant and/or for the temporary placement of tables and chairs thereon for the use of the patrons of the commercial/retail unit to which it is appurtenant, provided however that the affected commercial/retail unit owner has first obtained all requisite approvals thereto from the City of Toronto (and any other relevant Governmental Authorities), but in no case shall anything be permanently affixed to (nor permanently placed within the confines of) such outdoor patio area or adjoining City sidewalk area;*
- f) Notwithstanding anything contained in this declaration to the contrary, it is hereby declared and stipulated that no one shall bring onto, place, affix, erect or install on or within any balcony any object, material or thing that exceeds the permissible load(s) set forth or contemplated in the structural plans or specifications of this Condominium.
- g) Each unit owner shall forthwith reimburse the Corporation for the cost of repairs made by the Corporation to any windows, and/or doors serving his or her unit, following damage to same caused by such owner's negligence or wilful misconduct, or caused by the negligence or wilful misconduct of the residents, tenants, invitees or licensees of his or her unit (or by anyone else for whose actions such owner is responsible, at law or in equity), and where the cost of rectifying any such damage is recoverable under any policy of insurance maintained by the Corporation, then the owner responsible for such damage as aforesaid shall forthwith reimburse the Corporation for the entire deductible amount payable under such insurance policy.
- h) The Corporation shall be responsible for the cost of repairing and/or replacing all door locks respectively leading into (or providing access to) each of the units (as and where applicable) that were originally installed by the Declarant and keyed to the Corporation's master key entry system, unless any such lock has been damaged by any owner, or by such owner's residents, tenants, invitees, licensees, contractors or customers, in which case the Corporation shall undertake and complete such repair or

replacement, but the cost of same shall be borne solely by the affected unit owner, and any such replacement lock shall likewise be keyed to the Corporation's master key entry system. No one shall be entitled to repair or replace any lock on any door leading directly into (or providing access to) any of the units without the prior written approval of the board, and without having any such replacement lock keyed to the Corporation's master key entry system.

i) Notwithstanding anything hereinbefore or hereinafter provided to the contrary, it is hereby declared and stipulated that where a unit owner is responsible (pursuant to the foregoing provisions of this declaration) for the maintenance or repair of any matter, item or component comprising, involving or associated with any exclusive use common element area appurtenant to his or her unit, but which matter, item or component is not fully accessible from or by such owner's unit or exclusive use common element area, or alternatively where the Corporation is responsible (pursuant to the foregoing provisions of this declaration) for the maintenance or repair of any portion of such owner's exclusive use common element area, then in either of such circumstances, such owner shall not undertake or complete said maintenance or repair work, but rather shall be obliged to notify the Corporation of the needed or desired maintenance or repair work with respect to same, and shall provide reasonable access to or through such owner's unit (and to any exclusive use common element areas appurtenant thereto) to the Corporation's authorized agents, representatives, employees and/or retained contractors in order to facilitate such maintenance or repair work by the Corporation's authorized agents, representatives, employees and/or retained contractors, and said work shall be carried out and completed at the sole cost and expense of such owner (unless the Corporation was obliged to carry out said work, at its sole cost and expense, in accordance with any of the foregoing provisions hereof). In those circumstances where the owner is solely responsible for the cost of any maintenance or repair work undertaken by the Corporation's authorized agents, representatives, employees and/or retained contractors as hereinbefore provided, the Corporation shall invoice such owner for all costs and expenses incurred in connection with any such maintenance or repair work so undertaken, and the unit owner shall forthwith pay same to the Corporation, failing which all such costs and expenses shall be added to the monthly contributions towards the common expenses of such owner, and shall be treated in all respects as common expenses, and be recoverable as such (and with corresponding lien rights in favour of the Corporation similar to the case of common expense arrears).

j) In light of the fact that:

- i) section 90(2) of the Act provides that the obligation to maintain includes the obligation to repair after normal wear and tear;
- ii) sections 93 to 95 inclusive of the Act oblige the Corporation to establish and maintain one or more reserve funds to cover the major repair and replacement of the common elements and assets of the Corporation;
- iii) a unit owner who is responsible (pursuant to the foregoing provisions of this declaration) for the maintenance of any matter, item or component comprising, involving or associated with any exclusive use common element area appurtenant to his or her unit, may accordingly be liable for any necessary repairs to such matter, item or component once same has deteriorated in the normal course of use, even though the Corporation may have adequate reserve funds to cover the cost of any major repair work thereto or the replacement thereof;
- iv) repair after normal wear and tear (which falls under the rubric of maintenance) that becomes the responsibility of the unit owner individually, rather than of the Corporation, could be prejudicial or detrimental to the best interests of the Corporation, particularly if the requisite work involves (or may otherwise affect) the structural integrity of any portion of the building(s) comprising the Condominium, and is not carried out and completed in a proper, diligent and professional manner; and
- v) section 176 of the Act confirms that one cannot contract out of any provisions of the Act (including the alteration of the definition of maintenance or repair established by the Act), while section 91 of the Act expressly allows the declaration to alter or re-allocate the obligations of maintenance and repair respectively, between the Corporation and any one or more unit owners;

it is hereby declared and stipulated that notwithstanding anything hereinbefore or hereinafter provided in this declaration to the contrary, in those circumstances where a unit owner is responsible (pursuant to the foregoing provisions of this declaration) for the maintenance or repair of any matter, item or component comprising, involving or associated with any exclusive use common element area appurtenant to his or her unit (excluding however all improvements made thereto which were not originally installed by or on behalf of the Declarant), then such obligation to maintain or repair shall automatically shift to (and devolve upon) the Corporation immediately before the earlier of:

- A. the date when such matter, item or component has been damaged [provided however that if such damage has been caused, either directly or indirectly, by or through the fault, negligent act or omission of the affected

owner (or of such owner's residents, tenants, invitees and/or licensees), then the Corporation shall attend to the repair of such damage, but such repair shall be carried out at the sole cost and expense of the affected owner, and the latter shall fully indemnify and save the Corporation harmless from all costs, damages, expenses and/or liabilities incurred by the Corporation in doing so]; or

- B. the date when such matter, item or component has (through normal wear and tear) deteriorated to the point where it requires repair or replacement (for health or safety reasons, or for any other legitimate reason as may be determined by the board from time to time);

whereupon the Corporation shall be solely responsible for the maintenance and repair thereof, and the affected unit owner shall correspondingly be obliged in such circumstances to notify the Corporation of such required maintenance or repair work, and the Corporation's authorized agents, representatives, employees and/or retained contractors shall thereafter carry out such maintenance or repair work, at the Corporation's sole cost and expense (either as a direct expenditure from the Corporation's reserve fund or otherwise), unless the matter, item or component is being repaired because of damage caused by the fault, negligent act or omission of the affected owner (or of such owner's residents, tenants, invitees and/or licensees), in which latter case the entire cost of the repair work shall be borne solely by the affected owner as hereinbefore provided. Once the said matter, item or component has been fully repaired, restored or replaced by the Corporation as aforesaid, then the ongoing obligation thereafter to maintain or repair same shall revert back to the affected owner, as previously provided for in this declaration, subject however to the same automatic shifting of said obligation onto the Corporation at the times and in the circumstances expressly contemplated in subparagraphs A) and B) above.

PART 8 - INSURANCE

Section 46 - Insurance Maintained by the Corporation

a) **All-Risks Insurance**

The Corporation shall obtain and maintain insurance against "all risks" (including insurance against damage caused by fire and "major perils" as defined in section 99(2) the Act) as is generally available from commercial insurers in a standard "all risks" insurance policy, as well as insurance against such other perils or events as the board may from time to time deem advisable, in respect of the Corporation's obligation to repair, and in respect of the unit owners' interests in the units and common elements, in connection with any damage to:

- i) the common elements, including any improvements or betterments made to the Condominium's recreational facilities and amenities (or any portion thereof) from time to time;
- ii) the personal property owned by the Corporation, but excluding all furnishings, furniture and other personal property supplied or installed by any of the unit owners; and
- iii) the units, except for any improvements or betterments made thereto or acquired by any of the unit owners;

in an amount equal to the full replacement cost of such real and personal property, and of the units and common elements, without deduction for depreciation. This insurance may be subject to a loss deductible clause as determined by the board from time to time, and which deductible shall be the responsibility of the Corporation in the event of a claim with respect to the units and/or the common elements (or any portion thereof), provided however that if an owner, tenant or other person residing in the unit with the knowledge or permission of the owner, through an act or omission causes damage to such owner's unit, or to any other unit(s), or to any portion of the common elements, in those circumstances where such damage was not caused or contributed by any act or omission of the Corporation (or any of its directors, officers, agents or employees), then the amount which is equivalent to the lesser of the cost of repairing the damage and the deductible limit of the Corporation's insurance policy shall be added to the common expenses payable in respect of such owner's unit.

b) **Public Liability, Property Damage and Boiler Insurance**

The Corporation shall obtain and maintain public liability and property damage insurance, together with boiler, machinery and pressure vessel insurance (if applicable), with limits to be determined by the board [but in no event less than two million dollars (\$2,000,000.00) of coverage per occurrence], insuring the Corporation against its liability resulting from breach of its duty as occupier of the common elements, and/or arising from the ownership, use and/or operation (by or on behalf of the Corporation) of boilers, machinery, pressure vessels and/or motor vehicles.

c) **General Provisions Regarding Policies of Insurance**

The foregoing policy or policies of insurance shall be required to insure the interests of the Corporation and the unit owners from

time to time, as their respective interests may appear (with all mortgagee endorsements being subject to the overriding provisions of the Act, this declaration, and the provisions of any applicable insurance trust agreement), and same shall contain (and be subject to) the following provisions, namely:

- i) if the Corporation has entered into an insurance trust agreement with an insurance trustee, then all proceeds arising from any insured loss or losses shall be payable to the said insurance trustee, save and except for any insurance proceeds arising from any single insured loss or occurrence that amounts to less than fifteen (15%) percent of the replacement cost of the property covered by the Corporation's insurance policy, in which case such proceeds shall be payable to the Corporation (or to the person or persons whom the Corporation specifies in writing), and not to the said insurance trustee, and if no insurance trustee has been retained by the Corporation then all proceeds arising from any insured loss or losses shall be payable directly to the Corporation (or to the person or persons whom the Corporation specifies in writing);
- ii) waivers of subrogation against the Corporation and its directors, officers, managers, agents, employees and designated representatives from time to time, and against the unit owners, and their respective residents, tenants, invitees or licensees, except for damage arising from or in connection with any vehicle impact, arson, fraud, vandalism or malicious mischief caused or contributed by any of the aforementioned parties or individuals;
- iii) such policy or policies of insurance shall not be cancelled or substantially modified without at least sixty (60) days prior written notice sent by registered mail to all parties whose interests appear (or are expressly noted) thereon, and to the Insurance Trustee (as hereinafter defined), if applicable;
- iv) waivers of any defence based on co-insurance (other than pursuant to a stated amount co-insurance clause expressly set forth in the Corporation's insurance policy), or on any invalidity arising from any act, omission, or breach of a statutory condition, by any insured party;
- v) provisions confirming that the same shall be primary insurance in respect of any other insurance carried by the unit owner(s); and
- vi) waivers of the insurer's obligation or requirement to repair, rebuild or replace the damaged property, in the event that after damage, the government of the property is terminated pursuant to the Act.

Section 47 - General Provisions Regarding the Corporation's Insurance

- a) Prior to obtaining any policy or policies of insurance, and every three (3) years thereafter, and at such other times as the board may deem advisable, the board shall obtain an appraisal from an independent qualified appraiser of the full replacement cost of the common elements and assets of the Corporation, for the purpose of determining the amount of insurance to be effected, and the cost of such appraisal shall be a common expense.
- b) The Corporation, the board, and its officers shall have the exclusive right, on behalf of the Corporation and as agents for the owners, to adjust any loss and settle any claims with respect to all insurance placed, held or maintained by the Corporation, and to give such releases as are required, and any claimant, including the owner of a damaged unit, shall be bound by such adjustment; provided however that the board may, in writing, authorize any owner to adjust any loss to his or her unit.
- c) Every mortgagee shall be deemed to have agreed to waive any right to have the proceeds of any insurance applied on account of the mortgage indebtedness. The preceding sentence shall be read without prejudice to the right of any mortgagee to exercise the right of an owner to vote or to consent to any matters at meetings of owners (if the mortgage itself contains such a provision or entitlement), as well as the right of any mortgagee to receive the proceeds of any insurance policy if the property is not repaired or replaced.
- d) A certificate or memorandum of all insurance policies (and endorsements thereto) maintained by the Corporation shall be issued as soon as possible to each owner, and to each mortgagee who has notified the Corporation of his or her interest in any unit. A notarial or certified copy of all such policies shall be delivered to each mortgagee who has notified the Corporation of his or her interest in any unit, and who has formally requested same. Renewal certificates or certificates of new insurance policies shall be furnished to each owner, and to each mortgagee who has notified the Corporation of his or her interest in any unit, no later than ten (10) days before the expiry of any current insurance policy. The master policies of the Corporation's insurance coverage shall be kept and maintained in the office of the Corporation (or at the office of the Corporation's property manager, from time to time), available for inspection by any owner or mortgagee on reasonable notice to the Corporation.
- e) No insured, other than the Corporation, shall be entitled to amend any policy or policies of insurance held or maintained by the Corporation, or to direct that loss (or any proceeds of such insurance) shall be payable in any manner other than as provided for in this declaration.

Section 48 - Indemnity Insurance for Directors and Officers of the Corporation

The Corporation shall obtain and maintain insurance for the benefit of all of the directors and officers of the Corporation, if such insurance is reasonably available, in order to indemnify them against the matters described in subsections 38(1)(a) and (b) of the Act, including any liability, cost, charge or expense incurred by them in the execution of their respective duties (hereinafter collectively referred to as the "Liabilities"), provided however that such insurance shall not indemnify any of the directors or officers against any of the Liabilities respectively incurred by them as a result of a breach of their duty to act honestly and in good faith, or in contravention of the provisions of the Act.

Section 49 - Insurance to be Maintained by Each of the Unit Owners

- a) The insurance described in the foregoing provisions of this declaration constitutes the only insurance coverage required to be obtained and maintained by the Corporation. However, in addition to the Corporation's insurance, **the following insurance shall be obtained and maintained by each unit owner, at his or her sole cost and expense, throughout the entire period of his or her respective ownership, namely:**
- i) All-risks insurance that provides adequate coverage, on a replacement cost basis, in respect of any and all additions, upgrades, betterments and/or improvements made to the owner's unit (to the extent that same are not included as part of the standard unit for the class of unit to which the owner's unit belongs, and correspondingly not covered by the master insurance policy obtained and maintained by the Corporation), together with property damage insurance for all furnishings, equipment, personal property and chattels of the owner contained within his or her unit (or stored elsewhere within the confines of the Condominium property), including his or her automobile(s) and/or bicycle(s), as well as insurance for the loss of use and occupancy of the owner's unit in the event of damage. Such policy or policies of insurance shall contain waivers of subrogation against the Corporation and its directors, officers, managers, agents, employees and designated representatives from time to time, and against all other unit owners (and any residents, tenants, invitees or licensees of such other units), except for any damage arising from (or in connection with) any vehicle impact, arson, fraud, vandalism or malicious mischief caused or contributed by any of the aforementioned parties or individuals;
 - ii) Public liability insurance (providing coverage of not less than \$2 million dollars per occurrence), covering the liability of any owner (including any resident, tenant, invitee or licensee of such owner's unit), to the extent that any damage occasioned to any other unit(s) or to the common elements, or to any personal property situate within any other unit(s) *or the common elements, is not covered by any public liability and/or property damage insurance obtained and maintained by the Corporation;* and
 - iii) Insurance covering any deductible amount under the Corporation's master insurance policy, that is payable by a unit owner or for which a unit owner may be responsible for reimbursing the Corporation.
- b) **The following insurance is strongly recommended to be obtained by each unit owner, at his or her sole cost and expense, although same is not mandatory, namely:**
- i) Insurance covering additional living expenses incurred by an owner, if forced to leave his or her dwelling unit by one of the hazards protected against under the Corporation's insurance policy or under the owner's personal insurance policy;
 - ii) Insurance covering any special assessments levied against an owner's unit by the Corporation;
 - iii) Contingent insurance coverage, in the event that the Corporation's insurance is inadequate to fully cover any particular damage or injury involving or otherwise affecting any owner and/or his or her unit;
 - iv) For each of the commercial/retail unit owners:
 - A. Plate glass insurance covering the cost of repairing and/or replacing any glass or plastic windows, doors and/or enclosure(s) forming part of (or contained within) any portion of the commercial/retail unit; and
 - B. Business interruption insurance, insuring any loss and/or damage arising from the inability of any owner of a commercial/retail unit to operate his or her business therefrom, due to any damage to his or her unit, or arising from any action taken by the Corporation which would prevent the operation of such business; and
 - v) Any other insurance deemed necessary or desirable by any unit owner and his or her insurance advisors.

Section 50 - Indemnification of the Corporation by Unit Owners

- a) Each owner shall indemnify and save the Corporation harmless from and against any loss, cost, damage, injury or liability which the Corporation may suffer or incur resulting from (or caused by) any deliberate or wilful act or omission, or any negligent act or omission, of such owner (or of any resident, tenant, invitee or licensee of such owner's unit, or of anyone else for whose actions

or omissions such owner is in law responsible) affecting the common elements (or any portion thereof), the owner's unit and/or any other unit(s), except for any loss, cost, damage, injury or liability insured against by the Corporation and for which proceeds of insurance sufficient to cover any such loss, cost, damage, injury or liability are paid or payable directly to (or for the benefit of) the Corporation. All payments to be made by any owner pursuant to this section shall be deemed to be additional contributions toward the common expenses payable by such owner, and shall be recoverable as such (with corresponding lien rights in favour of the Corporation similar to the case of common expense arrears).

- b) Notwithstanding anything contained in this declaration to the contrary, it is expressly declared and stipulated that all costs and expenses (including the Corporation's insurance deductible, if applicable, and all legal fees on a solicitor and his/her own client basis or substantial-indemnity scale, as well as all applicable disbursements) incurred by the Corporation by reason of any breach of any provision(s) of the Act, this declaration, any by-law(s) and/or rule(s) of the Corporation in force from time to time (including a breach of any agreement binding upon the Corporation and expressly authorized or ratified by any by-law of the Corporation), or by reason of any damage or injury occasioned to any unit(s) or any portion of the common elements, committed by any unit owner (or by any resident(s) of such owner's unit, and/or by said owner's respective tenants, invitees or licensees, or by anyone else for whose actions or omissions such owner is in law responsible) shall be fully borne and paid for by (and shall ultimately be the sole responsibility of) such owner, and such owner shall accordingly be obliged to forthwith reimburse the Corporation for the aggregate of all such costs and expenses so incurred, failing which same shall be deemed for all purposes to constitute an additional contribution towards the common expenses payable by such owner, and shall be recoverable as such (with corresponding lien rights in favour of the Corporation against such owner's unit, similar to the case of common expense arrears).
- c) Without limiting the generality of the preceding provisions in subparagraphs (a) and (b) above, it is also expressly declared and stipulated that:
- i) In the event of any damage in respect of which a claim is being made under the Corporation's insurance policy, each unit owner shall indemnify and save the Corporation harmless from and against the amount which is the lesser of:
 - A. any deductible amount payable by the Corporation under or pursuant to any policy of insurance held by the Corporation, that is applicable to the insurance claim for the repair of damage to such owner's unit and/or exclusive use common element area(s); or
 - B. the actual cost attributable to the repair of such owner's unit and/or exclusive use common element area(s); regardless of fault, so long as the damage is not caused by (nor the result of an act or omission on the part of) the Corporation and/or its directors, officers or agents.
 - ii) Should an incident cause damage to more than one unit [or to the exclusive use common element area(s) appurtenant to more than one unit], and where such damage was not caused by (nor the result of an act or omission on the part of) the Corporation and/or its directors, officers or agents, then the owner of each unit that has suffered such damage shall indemnify and save the Corporation harmless from and against the amount which is equivalent to such owner's proportionate share of the total deductible amount payable by the Corporation under or pursuant to any policy of insurance held by the Corporation (and that is applicable to the insurance claim for the repair of such damage), on the express understanding that the proportionate share of the deductible payable by each unit owner that has suffered damage shall be determined by the board of directors in its sole, unfettered and unchallenged discretion, after taking into account or applying the deductible thresholds provided in the immediately preceding subparagraph (i) above.
 - iii) The deductible amount for each policy of insurance held by the Corporation shall be deemed to be reasonable, unless otherwise determined by a court of competent jurisdiction, or by a mediator or arbitrator having jurisdiction to resolve any such dispute regarding the deductible.

Section 51 - Insurance Trust Agreement

The Corporation may at any time hereafter enter into an insurance trust agreement (hereinafter referred to as the "Insurance Trust Agreement") with a trust company registered under The Loan and Trust Corporations Act R.S.O. 1990, as amended, or with a chartered bank or other firm qualified to act as an insurance trustee (hereinbefore and hereinafter referred to as the "Insurance Trustee"), but shall not be obliged to do so. However, if an Insurance Trust Agreement is ultimately entered into between the Corporation and the Insurance Trustee, then save as hereinafter otherwise provided, the Insurance Trust Agreement shall stipulate that the Insurance Trustee shall hold all insurance proceeds (in respect of any and all claims made under any of the Corporation's insurance policies from time to time) in trust, and shall disburse said proceeds in satisfaction of the respective obligations of the Corporation and the unit owners to repair or replace any damage occasioned to any unit(s) and/or the common elements (or any portion thereof), in accordance with the provisions of the Act and

this declaration. If substantial damage has occurred to the Condominium [for which the cost of repair is estimated to equal or exceed twenty-five (25%) percent of the replacement cost of all buildings and structures located on the property, as set out in section 123(2) of the Act], and the board has registered a notice terminating the government of the property by or under the Act [following an affirmative vote in favour of terminating the Condominium by owners of at least eighty (80%) percent of the units, pursuant to section 123(7) of the Act], then the Insurance Trustee shall hold all proceeds of insurance received for and on behalf of the owners, in the proportions reflecting their respective interests in the common elements, and shall pay such proceeds (and all other amounts then held by the Insurance Trustee, less all outstanding fees and disbursements owed by the Corporation to the Insurance Trustee pursuant to the provisions of the Insurance Trust Agreement) to the respective owners in such proportions, forthwith following the registration of the aforementioned notice of termination, subject however to paying or applying any owner's proportionate share of such proceeds to pay and satisfy the amount due under any outstanding certificate(s) of lien which may be registered in favour of the Corporation against such owner's unit, and to thereafter pay and satisfy the amount due and owing to any outstanding mortgagees encumbering the owner's unit (in the order of their respective priority). Despite anything contained in this declaration or in any Insurance Trust Agreement to the contrary, it is hereby declared and stipulated that if the proceeds of insurance payable on any one loss or occurrence under any policy of insurance held or maintained by the Corporation amounts to less than fifteen (15%) percent of the replacement cost of the property covered by such policy, then such proceeds shall be paid directly to the Corporation, or to any other person whom the Corporation may specify and direct in writing, as expressly provided or contemplated in section 100(1) of the Act (or alternatively such proceeds shall be re-directed and paid to the Corporation by the Insurance Trustee in accordance with the provisions of the Insurance Trust Agreement), and such proceeds shall correspondingly be promptly utilized by or on behalf of the Corporation for the repair or replacement of the damaged unit(s) and/or common element area(s), as the case may be.

PART 9 - DUTIES OF THE CORPORATION

Section 52 - Duties

In addition to any other duties set out elsewhere in this declaration, and specified in the by-laws of the Corporation, the Corporation shall have the following duties, namely:

- d) To ensure that no actions or steps are taken by the Corporation, or by any one else, which would prohibit, limit or restrict the access and egress of the Declarant and its designated agents, representatives, employees and contractors over any portion of the common elements, in order to facilitate the Declarant's construction and completion of all buildings and structures situate within the confines of the Real Property;
- e) To ensure that no actions or steps are taken by the Corporation, or by any one else, which would prohibit, limit or restrict the access to, egress from and/or use of the Recreational Amenities (and all amenities, services, equipment and facilities situate therein or operated therefrom) by the Declarant and its authorized employees, agents, representatives, retained contractors or subcontractors, invitees and/or licensees, in connection with any of the marketing, sales, construction and/or customer-service programs or operations implemented by the Declarant from time to time in connection with this Condominium, as expressly contemplated or provided for in this declaration;
- f) To abide by, and comply with, the terms and provisions of the following outstanding municipal development agreement (s) [and any successor or supplementary agreement(s) with respect thereto] which are (or may be) registered against the units and/or common elements of this Condominium] (hereinafter collectively referred to as the "**Outstanding Municipal Agreements**"), namely:

The foregoing duty shall also expressly include the obligation of this Condominium to:
- i) enter into (and abide by the terms and provisions of) an assumption agreement with the Declarant and with or without the City of Toronto as a party or signatory thereto, but nevertheless enforceable by the City of Toronto against the Corporation (hereinafter referred to as the "**Assumption Agreement**"), pursuant to which the Corporation shall formally evidence and confirm its assumption of all outstanding and ongoing obligations and liabilities of the Declarant arising under any or all of the Outstanding Municipal Agreements;
 - ii) not alter the grading or slope of the Real Property (or any portion thereof), nor obstruct or interfere with any drains or drainage pattern(s) in respect of the Real Property (nor permit or allow any one else to alter the grading and/or slope of the Real Property, or to alter or interfere with any drains or drainage pattern(s) in respect of the Real Property), except in accordance with the grading and drainage plans approved by the City of Toronto, without the prior written consent of the City of Toronto, and to maintain any such alterations to the grading, slope and/or drainage patterns of the Real Property so approved by the City of Toronto; and

 - B. any security heretofore provided or posted by the Declarant with the City of Toronto (to ensure the fulfilment of any outstanding obligations arising under any of the Outstanding Municipal Agreements) being drawn down upon by the City of Toronto (in whole or in part), as a direct or indirect result of any breach of any term(s) or provision(s) of any of the Outstanding Municipal Agreements committed by the Corporation (or by anyone else for whose actions or omissions the Corporation is liable, at law or in equity);
- h) To enter into an agreement with the Declarant immediately after the registration of this declaration (hereinafter referred to as the "**License Agreement**"), if so required by the Governmental Authorities or requested by the Declarant, pursuant to which the Corporation shall formally grant the Declarant a license (for nil consideration) to enter upon the common elements for the purposes of complying with all of the terms and provisions of the Outstanding Municipal Agreements, which license shall automatically expire upon the completion and fulfilment of all obligations of the Declarant thereunder (but in no case later than 21 years less a day following the registration of this declaration, in order to obviate any contravention of the subdivision-control and part-lot control provisions of *The Planning Act R.S.O. 1990, as amended*), and which license shall be duly authorized by a by-law of the Corporation enacted in accordance with the provisions of the Act;
- i) To enter into (and abide by the terms and provisions of) an assumption agreement with the Declarant and Toronto Hydro-Electric System Limited ("**Toronto Hydro**") immediately after the registration of this Condominium, if so required by the Declarant and/or Toronto Hydro, pursuant to which the Corporation shall formally assume all obligations and liabilities of the Declarant arising under the **Smart Meter Installation and Service Agreement** entered into by the Declarant and Toronto Hydro for the installation and operation of a "smart" meter system in the Condominium;

- v) Save as otherwise provided or contemplated in this declaration, to ensure that no actions or steps are taken by or on behalf of the Corporation or by any unit owners (nor by any of their respective tenants, residents, employees, invitees or licensees) which would limit, restrict or interfere with the right of the commercial/retail unit owners to undertake and complete any Minor Installations and/or any Commercial/Retail Unit Partition Removal as contemplated in this declaration;
- w) To ensure that no actions or steps are taken by or on behalf of the Corporation, or by any unit owners (or by any of their respective tenants, residents, employees, invitees or licensees) which would limit, restrict or interfere with the right of the commercial/retail and live/work unit owners to install, from time to time, any signage or other installation aiding in the promotion or advertisement of any business or service being carried on (or intended to be carried on) within the confines of his or her unit, provided same is otherwise permitted by (and complies with) the provisions of the Applicable Zoning By-laws and this declaration;
- x) As and when hereafter required by the Declarant or any successor owner(s) of the commercial/retail units, to enter into an AAI Agreement with the Declarant (in the Declarant's capacity as the owner of the commercial/retail units), or with each of the respective successor owners of the commercial/retail units, in order to permit the Declarant (and each of the respective successor owners of the commercial/retail units) to undertake and complete any Minor Installation, and/or Commercial Partition Removal as contemplated in of this declaration), and/or any other desired work or installation that affects (or directly impacts upon) any portion of the common elements and that is otherwise permitted or contemplated by the provisions of this declaration, in the manner outlined or prescribed by the foregoing terms and provisions hereof (and provided that the cost of undertaking or implementing any Minor Installation or Commercial Partition Removal so desired, together with the responsibility for the cost of repair after damage, maintenance and insurance with respect to same, is borne entirely by the Declarant or the commercial/retail unit owner seeking to implement or undertake same);
- y) To ensure (to the extent reasonably possible) that an AAI Agreement is entered into by the Corporation with any dwelling unit owner desiring to make any addition, alteration or improvement to any exclusive use common element area(s) appurtenant to such owner's dwelling unit (or to an installation upon the common elements), pursuant to the provisions of section 98 of the Act, on the express understanding that if such an agreement is entered into with anyone other than the Declarant, then the AAI Agreement shall allocate the entire cost of undertaking or implementing the proposed addition, alteration or improvement to the affected owner desiring to undertake or implement same, and shall impose the responsibility for the cost of maintaining, repairing and insuring any such addition, alteration or improvement onto said owner (even though the Corporation and its authorized agents, representatives, employees and retained contractors shall or may be responsible for carrying out and completing all requisite

maintenance and repair work with respect thereto, all at such owner's sole cost, risk and expense), and the AAI Agreement shall address or set out any other matters that the board may deem advisable, and/or as may be prescribed from time to time by the regulations to the Act.

- z) To take all requisite steps to ensure that no part of the outdoor balconies are used by any person or persons in a manner which creates or results in an excessive level of noise and/or light, or which creates or results in (or if continued, is likely to create or result in) any other nuisance which may unreasonably interfere with the use and enjoyment of the adjacent or neighbouring lands, and to endeavour to ensure that any disturbance of the quiet enjoyment of such adjacent or neighbouring lands, by light, sound, sight or any other matter, is minimized to the greatest extent reasonably possible;

 - ii) any services (in the nature of cleaning, maid or housekeeping services) intended to be provided by the Declarant and/or any other unit owner(s) to or for the benefit of any short term or long term tenants, licensees or occupants of any dwelling units;
- ac) When the Corporation formally retains an independent consultant (who holds a certificate of authorization within the meaning of *The Professional Engineers Act R.S.O. 1990, as amended*, or alternatively a certificate of practice within the meaning of *The Architects Act R.S.O. 1990, as amended*) to conduct a performance audit of the common elements on behalf of the Corporation, in accordance with the provisions of section 44 of the Act and section 12 of O.Reg.48/01 (hereinafter referred to as the "**Performance Audit**") at any time between the 6th month and the 10th month following the registration of this declaration, then the Corporation shall have a duty to:

for the purposes of facilitating and expediting the rectification and audit process (and bringing all matters requiring rectification to the immediate attention of the Declarant, so that same may be promptly dealt with), and affording the Declarant the opportunity to verify, clarify and/or explain any potential matters of dispute to the Performance Auditor, prior to the end of the 11th month following the registration of this declaration and the corresponding completion of the Performance Audit and the concomitant submission of the Performance Auditor's report to the board of directors of this Condominium and to Tarion Warranty Corporation pursuant to section 44(9) of the Act;

- af) To purchase the **guest suite unit** from the Declarant, within 30 days of the registration of this Condominium, at a purchase price of Two Hundred and Fifty Thousand Dollars (\$250,000.00) inclusive of any applicable harmonized sales taxes. - ag) Save as otherwise provided or contemplated in this declaration, to ensure that no actions or steps are taken by or on behalf of the Corporation or by any unit owners (nor by any of their respective tenants, residents, employees, invitees or licensees) which would limit, restrict or interfere with the general public's access to and egress from any of the commercial/retail units;

The foregoing duty shall also expressly include the obligation of this Condominium to enter into (and abide by the terms and provisions of) an assumption agreement with the Declarant (and with or without Petro J, Amexon and/or Onni as parties or signatories thereto, but nevertheless enforceable by Petro J, Amexon and Onni against the Corporation), pursuant to which the Corporation shall formally evidence and confirm its assumption of all outstanding and ongoing obligations and liabilities of the Declarant arising under the Easement and Cooperation Agreement, provided, however, that the assumption of responsibility for any outstanding obligations relating to the transfer of easements over the future driveway unit and/or the temporary driveway unit in favour of the Park Lawn Owners or any of them, shall not take effect until the ownership of the future driveway unit and/or the temporary driveway unit, as the case may be, has been transferred by the Declarant to the Corporation;

PART 10 - GENERAL MATTERS

Section 53 - Rights of Entry

- a) The Corporation and/or any insurer of the property (or any part thereof), and their respective agents, employees or authorized representatives, and any other person authorized by the board, shall be entitled to enter any unit (or any part of the common elements over which any owner has the exclusive use), at all reasonable times and upon giving reasonable notice, for the purposes of making inspections, adjusting losses, making repairs, correcting any condition which violates the provisions of any insurance policy or policies maintained by the Corporation, remedying any condition which might result in damage to the property, and/or carrying out any duty imposed upon the Corporation. In addition, the authorized agents or representatives of the Corporation and/or any public or private utility companies or authorities requiring access to any unit(s) for the purposes of reading, inspecting, repairing and/or replacing any utility meter(s) (or other appurtenant equipment) contained therein, shall be entitled to enter any such unit(s), or any part of the common elements in respect of which any owner has the exclusive use, for any of the foregoing purposes, at all reasonable times upon giving prior reasonable notice of such desired entry.
- b) In case of an emergency, any agent, employee or authorized representative of the Corporation may enter any unit at any time without notice, for the purpose of repairing the unit, the common elements or any part of the common elements over which any owner has the exclusive use, or for the purpose of correcting any condition which might result in damage or loss to the property or assets of the Corporation, or of any unit owner(s) and/or any resident(s), tenant(s), invitee(s) and/or licensee(s) of any unit(s), or which may violate any public health or safety regulation. The Corporation or any one authorized by it may determine whether such an emergency exists, in their sole and unfettered discretion, acting reasonably, and such right of entry shall not impose upon the Corporation (or any of its authorized agents or representatives) any duty or liability to monitor or supervise the unit.
- c) If any owner, resident or tenant of a unit is not personally present to grant entry into such unit, then the Corporation, or its authorized agent(s) or representative(s), may enter into said unit without rendering the Corporation [or such agent(s) or representative(s)] *liable to any claim of trespass, or any other claim or cause of action for damages by reason thereof, provided that reasonable care has been exercised while entering and being present within said unit.*
- d) The rights and authority hereby reserved to the Corporation, any insurer as aforesaid, and their respective agents, employees or authorized representatives, *does not (and shall not) impose upon them any responsibility or liability whatsoever for the care or supervision of any unit, except as otherwise specifically provided in this declaration or in any by-law(s) of the Corporation.*

Where such consent has been granted by the board, said owner shall forthwith provide the Corporation with keys to all new locks (as well as keys to all additional locks) so installed, and all such new or additional locks shall be keyed to the Corporation's master key entry system.

Section 54 - Invalidity

Each of the provisions of this declaration shall be deemed independent and severable, and the invalidity or unenforceability (in whole or in part) of any one or more of such provisions, shall not be deemed to impair or affect in any manner the validity or enforceability of the remainder of this declaration, and in such event, all of the other provisions of this declaration shall continue in full force and effect as if such invalid provision had never been included herein.

Section 55 - Waiver

The failure to take action to enforce any provision contained in the Act, this declaration, the by-laws, or the rules of the Corporation, irrespective of the number of violations or breaches which may occur, shall not constitute a waiver of the right of the Corporation to do so thereafter, nor shall same be deemed to abrogate or waive any such provision.

If any notice is delivered personally, by courier, or by facsimile transmission, then such notice shall be deemed to have been received (and to be effective) on the next day following the day on which same was personally delivered, couriered or telefaxed, as the case may be, and provided further that if any notice is telefaxed, then a confirmation of such telefax transmission must be received by the transmitting party at the time of such telefax transmission (otherwise same shall be deemed not to have been properly or sufficiently telefaxed to the intended party or recipient).

 Authorized Signing Officer
 I have authority to bind the Corporation

SCHEDULE "E"
TO THE DECLARATION OF 1772014 ONTARIO INC.
COMMON EXPENSES

1. All expenses of the Corporation incurred by it in the performance of its objects and duties, whether such objects and duties are imposed under the provisions of the Act, the declaration, the by-laws or rules of the Corporation.
2. All sums of money payable by the Corporation for the procurement and maintenance of any insurance coverage required or permitted by the Act or the declaration, as well as the cost of obtaining, from time to time, an appraisal from an independent qualified appraiser of the full replacement cost of the units, common elements and assets of the Corporation, for the purposes of determining the amount of insurance to be obtained.
3. All sums of money paid or payable for utilities and services serving the units and the common elements, including without limitation, monies payable on account of:
 - a) water on a bulk basis (for each of the dwelling units, commercial/retail units and the common elements), on the express understanding that the Corporation shall ultimately be reimbursed by:
 - i) each of the commercial/retail unit owners only, for the cost of water consumption attributable to each of their respective units (and any exclusive use common element areas appurtenant thereto), pursuant to the periodic reading of the sub-meter for water appurtenant to each of the commercial/retail units (and comprising part of each commercial/retail unit owner's P.S.C.W.C. amount);
 - b) electricity on a bulk basis (for each of the dwelling units, and the common elements, but excluding the commercial/retail units which shall be directly and separately metered and billed by Toronto Hydro), on the express understanding that the Corporation shall ultimately be reimbursed by:
 - i) each of the dwelling units for the cost of the electricity consumption attributable to each of their respective units (and any exclusive use common element areas appurtenant thereto), pursuant to the readings by Toronto Hydro of the "smart meters" for electricity appurtenant to each of the dwelling units (and comprising part of each dwelling unit owner's P.S. R. U. C. amount);
 - c) natural gas on a bulk basis (for each of the dwelling units, commercial/retail units and the common elements), on the express understanding that the Corporation shall ultimately be reimbursed by:
 - i) each of the commercial/retail unit owners only, for the cost of natural gas consumption attributable to each of their respective units (and any exclusive use common element areas appurtenant thereto), pursuant to the periodic reading of the sub-meter for natural gas appurtenant to each of the commercial/retail units (and comprising part of each commercial/retail unit owner's P.S.C.G.C. amount);
 - d) the cost of sorting, storing, recycling and/or disposing of the residential garbage emanating from the dwelling units and common element areas of this Condominium, in the event that municipal garbage pickup service is no longer available for the residential component of this Condominium, including the cost of all required garbage containers or bins transportable on rollers, and the cost of retaining one or more private garbage pick-up firms to provide all required garbage collection and removal services for such residential garbage and refuse;
 - e) the cost of sorting, storing, recycling and/or disposing of the garbage and refuse emanating from the commercial/retail units, including the cost of all required garbage containers or bins transportable on rollers, and the cost of retaining one or more private garbage pick-up firms to provide all required garbage collection and removal services for such commercial/retail garbage and refuse on the express understanding that the Corporation shall ultimately charge back a share of such costs (the Commercial/Retail Garbage Costs Share) to each of the commercial/retail unit owners, such Commercial/Retail Garbage Costs Share to be determined, allocated and invoice by the Corporation based on the type and amount of garbage emanating from such commercial/retail unit, and shall be reimbursed by each of the commercial/retail unit owners for its respective share of such costs;
 - f) maintenance and landscaping materials, tools and supplies; and
 - g) the cost of maintaining, repairing and/or replacing (as and when required) the electricity sub-meters appurtenant to each of the dwelling units and commercial/retail units;

Accordingly, the cost of electricity so consumed or utilized by each of the dwelling unit and commercial/retail units, and the cost of water and natural gas and garbage removal costs for the commercial/retail units, shall not constitute or be construed as a common expense, but rather shall be borne and paid for by each dwelling unit and commercial/retail unit owner, as applicable.

Notwithstanding anything hereinbefore provided in this Schedule (or in the declaration to which this schedule is annexed) to the contrary, it is hereby declared and stipulated that all arrears of any sub-metered utilities that arise because any of the invoices issued by the utility provider in connection therewith were not paid by any unit owner as and when due, shall, to the extent permitted by law, thereupon be deemed and construed to constitute common expenses (and shall thereby specifically become common expense arrears), and may thereafter be collected by the Corporation in the same manner (and to the same extent, and with all the same rights and powers) as any other common expense arrears, and accordingly all such arrears of any sub-metered utilities shall properly constitute the subject matter of a common expense arrears lien, and be enforceable by way of such lien (ie. with all of the super priority rights applicable thereto) against the delinquent owner's unit; provided however that if the preceding clause is hereafter successfully judicially challenged, same shall nevertheless not preclude, restrict nor limit, in any way (nor detract from or negatively effect) the enforcement of the Condominium's Hydro Contractual Lien, Water Contractual Lien and/or Natural Gas Contractual Lien, in accordance

with the provisions of the declaration.

In addition, each of the dwelling unit owners and commercial/retail units owners shall be separately invoiced for cable television and telephone services, and accordingly the cost of cable television and telephone services (so consumed or utilized by each of the dwelling unit and commercial/retail unit owners) shall not constitute or be construed as a common expense, but rather shall be borne and paid for by each dwelling unit owner.

In the event that the Corporation decides or elects, at any time after the registration of the declaration, to purchase cable television and/or other telecommunication services on a bulk basis, for the entire building, then all sums of money payable by the Corporation for such bulk services shall thereupon comprise part of the common expenses of the Corporation.

4. All sums of money required by the Corporation for the acquisition or retention of real property, for the use and enjoyment of the property, or for the acquisition, repair, maintenance or replacement of personal property for the use and enjoyment of the common elements;
5. All sums of money paid or payable by the Corporation for legal, engineering, accounting, auditing, expert appraising, maintenance, managerial and secretarial advice and services required by the Corporation in the performance of its objects and duties;
6. All sums of money paid or payable by the Corporation to any and all persons, firms or companies engaged or retained by it, or by its duly authorized agents, servants and employees for the purpose of performing any or all of the duties of the Corporation;
7. All sums of money assessed by the Corporation for the reserve fund to be paid by every owner as part of their respective contributions towards the common expenses, for the major repair and replacement of the common elements and assets of the Corporation;
8. All sums of money paid or payable by the Corporation for any addition, alteration, improvement to or renovation of the common elements or assets of the Corporation;
9. All sums of money paid or payable on account of realty taxes (including local improvement charges) levied against the property (until such time as such taxes are levied against the individual units), and against those parts of the common elements that are leased for business purposes upon which the lessee carries on an undertaking for gain;
10. The fees and disbursements of the Insurance Trustee, if an insurance trust agreement is so entered into by or on behalf of this Condominium;
11. All sums of money paid or payable by the Corporation to conduct a performance audit of the common elements pursuant to the provisions of section 44 of the Act, to obtain a reserve fund study pursuant to section 94(4) of the Act [together with all comprehensive studies, and updated studies (including those based on a site inspection or otherwise) at the times and in the manner required to fully comply with the provisions of the Act], to obtain audited financial statements of the Corporation (both for or in respect of the turnover meeting and each annual general meeting thereafter), and to conduct or procure all other studies, audits, inventories or reports as may be required by the Act from time to time;
12. All sums of money paid or payable by the Corporation in order to comply with the duties set forth in section 52 of the declaration, including without limitation, all expenses incurred by the Corporation in complying with the terms and provisions of the Outstanding Municipal Agreements and the Easement and Cooperation Agreement;
13.
